NOTES:

1. Explanatory statement setting out all material facts as required under Section 102 of the Companies Act, 2013, in respect of special business of the Company is appended.
2. Notice is being sent to all Members whose names would appear in the Register of Members as on Friday, August 14, 2015 and Directors and Auditors of the Company through email / courier / post.
3. All documents proposed for approval, if any, under this Notice are open for inspection at the Registered Office of the Company between 10.00 a.m. and 12.30 p.m. on all working days (except Saturdays, Sundays and Holidays) up to the date of announcement of the results on the Postal Ballot.

Annexure to the Notice

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013

Item No. 1

The Company already has approval of the shareholders of the Company under Section 180(1) (a) of the Companies Act, 2013 vide shareholders resolution No. 1 dated September 25, 2014 thereby authorizing the Board of Directors of the Company for creation of charge / mortgage over the Company's assets inter-alia execution of such deeds and documents that may result into sale of whole or substantially the whole of the undertaking of the Company.

The members are aware that the Company is currently under Corporate Debt Restructuring (CDR) mechanism wherein it has already created charge / mortgage on its moveable / immovable assets. Moreover, the Company, under the CDR process, had also agreed to sell its business division, surplus assets / investments, realization of current assets including inventories, sundry debtors, supplier advance & other current assets. As such, the Company has identified Essential Energy India Private Limited (E2) as the prospective buyer for its network services viz. Operations, Maintenance & Energy Management (OME) business for indicative terms between ₹ 800 – ₹ 900 Crore and the Company also contemplates disposal of its core / non-core assets including current assets and investments. Against the Company's proposal put forth with the CDR / non-CDR Lenders for negotiated / one-time settlement, CDR lenders have appointed a Valuer for assessing value of business division including core / non-core assets. Though the shareholders have already approved similar resolution as stated above, at the request of E2, specific approval is being sought again. The amount so realized will be deposited in permitted accounts for discharge of the Company's liabilities towards its CDR Lenders, NCD holder, ECB Lenders, statutory dues, wages and other creditors. Considering that the telecom and power sectors have suffered drastically in the form of slow down that has resulted in variance of the projected financials submitted at the time of admission to the CDR process, the Company has certain challenges in meeting covenant / deadlines towards meeting agreed obligations to creditors / lenders.

In our opinion, it would take a considerably prolonged time in improving the economic scenario and in order to give comfort to the Lenders with a concrete plan, the Company is also contemplating bi-lateral / multi-lateral settlements, either one-time, negotiated or otherwise, with the Lenders subject to necessary consent from CDR, ECB and NCD lenders, that may also require either raising alternative mode of finance at lower rates of interest wherein the Company would be required to create charge / mortgage on its assets and execution of such deeds and documents that may give authority to the existing or new Lenders or to the Company's management to sell / dispose of the whole or substantially the whole of the undertaking; or consider to sell, lease or otherwise dispose of the whole or substantially the whole of any of the undertakings of the Company, sale of core / non-core assets, sale of surplus assets / investments, realization of current assets including inventories, sundry debtors, supplier advances & other current assets, in order to settle dues of the CDR lenders / NCD holder / ECB lenders, statutory dues, wages and other creditors of the Company. All such actions will be taken with necessary consent from such lenders as may be applicable under the CDR process.

Some of the borrowings of the Company are required to be secured by an appropriate mortgage or charge. As the documents to be executed with the lenders may contain the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company in certain events, it is necessary for the Members to pass a resolution under Section 180(1)(a) of the Companies Act, 2013, for the creation of the mortgages or charges.

The Board commends passing of the special resolution as set out in Item No. 1 of the accompanying Notice.

None of the Directors / Key Managerial Personnel of the Company and their Relatives is concerned or interested, financially or otherwise, in the passing of the Resolution.

By Order of the Board of Directors,
