Cigniti Technologies Limited has been appraised at Level 5 of the CMMI Institute's Capability Maturity Model Integration (CMMI)[®].

CMMISVC/5SM
Exp. 2018-07-28 / Appraisal #24895

Cigniti becomes the world's first independent testing services company to be appraised at Maturity Level 5. This is a game changer and will enable Cigniti to compete with the best of the IT services competitors in securing partnerships with larger enterprises globally.

An appraisal at maturity level 5 indicates that the organization is performing at an "optimizing" level. At this level, an organization continually improves its processes based on a quantitative understanding of its business objectives and performance needs. The organization uses a quantitative app

This CMMI Level 5 appraisal further reinforces Cigniti's commitment to deliver world class testing services with our Integrated Process Management System (IPMS). It also demonstrates that our teams are implementing proven processes with alignment to business objectives and ensuring enhanced client gratification.

The CMMI[®] Institute, a subsidiary of Carnegie Mellon University, is dedicated to elevating organizational performance through best-in-class solutions to real-world challenges. The Institute is the home of the Capability Maturity Model Integration (CMMI)[®] for Development, Services, and Acquisition; the People Capability Maturity Model; and the Data Management Maturity Model (DMM)SM, which are capability improvement models that create high-performance, highmaturity cultures. The models are used in thousands of organizations worldwide to deliver business results that serve as differentiators in the global market.
