- 7 The Company is pleased to inform that izmo has launched a new product - Meri Website, Meri Pehchan through their website www.izmoweb.in. It's goal is to provide online websites and marketing for all types of businesses which are not served by any other vendor. The target is services business which is more than 50% of the Indian economy. While traders have flipkart to sell products, there is no service for doctors, lawyers etc. They have to depend on "listing portals" who do a poor job of servicing their needs and yet charge a lot.

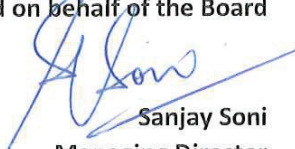

With izmo's new service, doctors, lawyers, chartered accountants etc. can get their own website and appointment systems for a small annual fee. izmo's strategy is to be the "Flipkart" for services business in India as well as other countries. We are launching this platform in 9 countries in the next 6 months. With izmoweb and "Meri Website, Meri Pehchan", izmo has started their foray into a high growth business and we are excited about the new potential. Our strategy is supported by Google who is pushing all businesses to have a mobile ready website as soon as possible.

- 8 The Company operates in one reportable segment only.

Report on Limited Review of Unaudited Periodic Results

I have reviewed the accompanying statement of **Unaudited (Stand alone) financial results of M/s IZMO Limited (formerly known as Logix Microsystems Limited)(Initialled by me)**; Bangalore for the Quarter ended **30th June 2015**. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. My responsibility is to issue a report on these financial results based on my review.

I conducted my review of the Statement in accordance with the Standard on Review Engagements (SRE) 2400, issued by the Institute of Chartered Accountants of India. This Standard requires that I plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. I have not performed an audit and accordingly, I do not express an opinion.

Based on my Limited Review conducted as above, I report as under:

1. The balance of Sundry Debtors, Inventories, Loans and Advances and Current Liabilities are subject to Confirmation and Reconciliation.

Based on my review conducted as above, subject to my comments as above, nothing has come to my attention that causes me to believe that the accompanying Statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements including the manner in which it is to be disclosed, or that it contains any material misstatement.
