Notes to Un-audited Financial Results for the quarter ended 30th June 2015 (as submitted to Bombay Stock Exchange Under Clause 41 of the Listing Agreement).

- 1 The above results were reviewed by the Audit Committee of Directors, thereafter taken on record by the Board of Directors in their meeting held on 14.08.2015 and a Limited Review of the same has been carried out by the Statutory Auditors of the Company.
- 2 The Company has not recognised Deferred Tax Assets in excess of Deferred Tax Liabilities, as a matter of prudence.
- 3 The Company has stopped (i) repayment of matured debentures & subordinated debts and (ii) payment of interest on debentures & subordinated debts from 1st July 2002 and proposed a scheme of arrangement before the Honorable High Court of Karnataka for restructure its liabilities (which since withdrawn and the Company is exploring the possibility of presenting a new scheme of arrangement). Further the Company has also stopped repayment of deposits matured for repayment and interest thereon, from aforesaid date. All debts of the Company i.e. debentures, subordinated debts and deposits are matured for repayment.

There are also many instances of settlement of debentures, debts and public deposits at the discounted rates with partial / full waiver of interest, which has been done with mutual consent. The remaining depositors/ debenture holders/ debt holders have approached the Company for settlement of the dues and the company is in the process for the same. Due to such settlements, the total liabilities as aforesaid, of the company is reduced from Rs10744.26 lakhs (as on 31st March 2002) to Rs.2567.53 lakhs as on 30th June 2015.

Considering the above facts, the company has provided for interest on deposits/ debentures/ debts upto 30.06.2002 and not thereafter.

Various consumer courts (including Appellate authorities / courts acting under the Consumer Protection Act) have passed the orders for the repayment of certain deposits / debentures/ debts with interest and other costs. The Company has settled the dues of which customers in many cases, which also includes settlement at discounted rates with partial / full waiver of interest and many of the remaining persons have approached the company for repayment.

Accordingly, it is not feasible for the company to ascertain accurately its liability on any given date.

- 4 Interest write back on Deposits/Debentures/Debt on settlement with depositors/Debenture/Debt holders for the three month ending 30th June 2015 is considered in the above statement as extraordinary items and details are given against SL. No.12 of the statement. The principal portion written back on such settlement is being directly taken to Balance Sheet as Capital Reserve as detailed in item No.C of the statement.(given at the bottom of the Part I of the statement).
- 5 The Company has been incurring losses for the last few years mainly on account of provision against non performing assets. The accounts have been prepared on a going concern basis, as the Company's management is hopeful of recovery of dues from Non-performing accounts as well as other debtors and also in view of the fact that the Company is exploring the possibility of presenting a new scheme of restructure of debts before the Honourable High Court of Karnataka.
- 6 The Company does not foresee any diminution in the value of investments.
- 7 Since the Company does not have business in more than one segment, segment-wise reporting on Revenue, Results and Capital Employed is not applicable.
- 8 The present activity of the Company is being restricted to recovery of the dues and repayment of the debts. Accordingly the income of the company depends upon the recoveries made during the period, which varies substantially on year to year basis. Therefore the Company has disclosed the amount of Bad debts recovered, reversal of provisions for NPA and Bad debts written off if any under the head "Exceptional Item".
- 9 During the quarter the Company has made good recoveries in doubtful dues, which has resulted in reversal of provisions, as detailed in SL.No.12 read with Item A of the statement. Accordingly and also on account of "Interest write back" as detailed in Note 4 above, the result of the Company for the Current Quarter is positive. Therefore this should not be taken as indicator of Company's performance during forthcoming quarters. The Company would have incurred loss(to the extent mentioned against SL.No.7 of PART I of the statement), for the quarter under review, if the income as aforesaid were not earned.
- 10 The figures for the previous period are regrouped, rearranged and reclassified wherever necessary.
