Limited Review Report**Review Report to
The Board of Directors
Yes Bank Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Yes Bank Limited ('the Bank') for the quarter ended December 31, 2015 and nine months period ended on that date (the "Statement"). The disclosures relating to "Pillar 3 under Basel III Capital Regulations", "Leverage Ratio" and "Liquidity Coverage Ratio" as have been disclosed on the Bank's website and in respect of which a link have been provided in aforesaid Statement have not been reviewed by us. This Statement is the responsibility of the Bank's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Bank's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

▪ **Asset Quality:**

Bank continues to show resilience on all Asset Quality parameters which have unfolded in line with expectations outlined for FY16 by the Bank.

1. **NPA – ‘Lowers Credit Cost Guidance for FY16’**

Gross Non Performing Advances (GNPA) as a proportion of Gross Advances was at 0.66% (Rs. 558.6 Crs) while Net Non Performing Advances (NNPA) as a proportion of Net advances was at 0.22% (**Rs. 187.2 Crs**) as at December 31, 2015. Bank’s specific loan loss **Provision Coverage** was at 66.5% as at December 31, 2015.

The Provision Coverage takes into account the Bank’s in-depth assessment of recoverability on the underlying accounts based on collateral, and does not factor the potential benefits of an improving business environment.

Credit cost for the quarter was 14 bps (9MFY16 actual credit costs at 34 bps).

Bank lowers its guidance for FY 2016 credit costs to maximum of 50 bps.

2. **Standard Restructured – ‘No new loans restructured & No slippages from standard restructured book’**

During the quarter, the Bank has not done any restructuring. Further, there were no slippages from the restructured book into NPA during the quarter as well as in 9MFY16.

The total Standard Restructured Advances as a proportion of Gross Advances was at 0.67% (Rs. 568.3 Crs) as at December 31, 2015. Out of this, 0.34% is on account of delay in project completion in roads (3 accounts), which the Bank expects will achieve project closure over the next 9 months given accelerated de-stressing of the road sector. Of the balance portfolio, the restructuring packages have been performing in line with expectations, and the Bank does not anticipate any material slippages in this book. The preservation of inherent economic value in the restructure portfolio is also evidenced through ‘NIL’ slippages from this book during 9MFY16.
