**STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("the Act")**

**Preferential issue of equity shares:**

In the light of the adverse conditions prevailing in the sugar industry, the Company opted for Corporate Debt Restructuring (CDR) under the scheme formulated by Reserve Bank of India. After going through our application, the empowered group of CDR Cell, Mumbai gave approval for a CDR Scheme in March 2014 and in accordance therewith, a Master Restructuring Agreement was also entered into with the Lenders on 27<sup>th</sup> March 2014.

In terms of the said CDR Scheme, the promoters had to bring in their contribution of Rs.12.25 crores in the form of Equity Shares. However, in the interest of speedy implementation of the CDR Scheme, the promoters brought in this money as non-interest bearing unsecured loan.

The Lenders led by State Bank of India are insisting that the Scheme provides for contribution by the promoters only in the form of Equity and not in the form of unsecured loan, even if it be non-interest bearing. Accordingly, it has been decided that the amount of Rs.12.25 crores brought in will be converted into equity shares by means of preferential allotment to the promoters in accordance with the regulations governing such preferential allotment.

Since there has been a time gap between the date of execution of the Master Restructuring Agreement and the conversion of the unsecured loan into equity, it is not clear as to whether the entire amount could be converted into Equity Shares in one go or whether the promoters will have to go through the normal method of by which the issue of equity shares could be made upto 5 % of the equity capital each year. A clarification is being sought in this regard from the Securities Exchange Board of India (SEBI). Pending such clarification, it is now proposed to allot Equity Shares on preferential basis to the promoters, at this instance to Ms.Rajshree Pathy, Chairperson and Managing Director of the Company at a price as worked out on the basis laid down by SEBI for this purpose. The price is being calculated with reference to the relevant date which is 11<sup>th</sup> January 2016. On receipt of the clarification, the necessary procedures which are desired by the regulatory authorities will be observed for converting the balance unsecured loan into Equity Shares.

At this point in time, it is proposed to convert Rs.3,89,40,000/- being the price of 11,80,000 Equity Shares of Rs.10/- each at a price of Rs.33/- each (including a premium of Rs.23/-) calculated in accordance with the formula laid down by SEBI.

This issue and allotment of equity shares to the promoters will not result in inflow of any fresh funds since the money has already been received two years ago and this allotment will only in result of conversion of unsecured loan into equity.

In terms of SEBI (ICDR) Regulations 2009, the following disclosures are being made:

1. Objects of the Issue: To comply with CDR norms.
2. The proposal of the Promoter to subscribe to the offer: The promoter proposes to subscribe to the offer fully.

3. The shareholding pattern before and after the preferential issue of equity shares (considering full allotment of Equity shares):
