**LIMITED REVIEW REPORT**

To,  
**The Board of Directors**  
**Prime Securities Limited**

We have reviewed the accompanying statement of standalone unaudited financial results of Prime Securities Limited for the quarter ended 31<sup>st</sup> December 2015. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Attention is invited to the following:

- (a) *The Company's financial statements are prepared on going concern basis, notwithstanding doubts as regards the Company's ability to meet its financial obligations as and when they fall due. The appropriateness of the said basis is interalia dependent on the Company's ability to generate cash from revenue streams and disposing-off investments to meet its liabilities in normal course of business. Relying on the management's representation on the above, no adjustments have been made to the carrying value of the assets and liabilities in the accompanying financial statements.*
- (b) *The Company has substantial financial exposure in its subsidiary Primesec Investments Limited whose net worth has been eroded; but having regard to the proposed capitalization of share application monies advanced by the Company; no provision/adjustment is made to the carrying amount of financial exposure in the subsidiary.*
- (c) *The Company has not provided for interest of Rs. 234.40 Lacs for the quarter on certain secured loans as in the opinion of the management the same would not be payable in view of ongoing negotiations with the lenders. Had the Company made such provision, the profit for the quarter would have been lower by that amount.*
- (d) *During the quarter, the Company has written-back Rs. 525.00 Lacs being part of an unsecured loan based on the management's assessment of the situation. Had the Company not made such write-back, the profit for the quarter would have been lower by that amount.*
- (e) *As per the Company's policy, diminution in value of investments is determined only at financial year-end. Consequently, diminution of Rs. 1150.38 Lacs as on 31<sup>st</sup> December 2015 is not accounted.*

Based on our review conducted as above and ***subject to clauses (a) to (e) above*** nothing has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
