The Shareholders during the discussion, inter-alia, sought the reasons/details with regard to;

- (i) performance of the Company during the year 2015-16 and other details on the expenditures reported, including about remittance of taxes and duties to Governments under protest.
- (ii) declaration of bonus shares.
- (iii) appointment of a woman director on the Board of Directors.
- (iv) performance of NLC Tamilnadu Power Limited.
- (v) share price of the Company and the action for increasing the floating stock.
- (vi) change of name to NLC India Limited.
- (vii) value added per employee.
- (viii) further disinvestment of shares by the Government.
- (ix) details of shares held by Directors and CMD
- (x) initiatives taken by the Company to achieve Maharatna Status

The Chairman appreciated the interest shown by the Members in the Company and had also acknowledged the suggestions made by them during their inter-action. The Chairman in his reply and provided the details/ information sought for by the Members and in particular stated the following:

- the company is remitting taxes and duties to the Government. When there is disagreement over the determination and payment of taxes and duties, as per the guidelines of the Governments, taxes and duties are remitted to the Government however under protest.
- Since the reserves and surplus is 7.92 times of the paid-up share capital as on 31.03.2016 against the threshold parameter of 10 times of the Paid-up share capital, the Company is not able to declare bonus issue of shares.
- a woman director, being the nominee of Ministry of Coal was on the Board till 20th June, 2016 and consequent on her transfer to other department of the Government of India, she had to relinquish and hence, there was no woman director on the Board. The Administrative Ministry has been requested to appoint a woman director to comply with the statutory requirements.
- both the Units of NLC Tamilnadu Power Limited, the Subsidiary Company, were commissioned only during the year 2015-16 and because of the recovery of depreciation and interest on borrowed capital from the earnings, the Company was not able to generate profit.
- the Government of India is holding 90% of the share capital of the Company and 10% is being held by Public including Financial Institutions & Banks and out of which only meagre portion of the share capital is available for trading. Availability of lower floating stock for trading could be a reason for lower share price of the Company.

- since the Company has Pan India presence, it was decided to change the name of the Company and consequent on the change of name, there is no deviation in the policies and programmes of the Company.
- value added per employee is the quotient of revenue generation to the total number of employees of the Company. Higher revenue with lower strength of employees will result in increase in the value added per employee.
- as per the guidelines of Securities Contracts (Regulation) Rules, the minimum public holding of listed entity is required to be at 25%. Further disinvestment of shares will be decided by Government of India which may improve the floating of shares.
- through the Company's website wherein all the details about the Company, its performance and growth plans are being uploaded for the information of all including present and prospective shareholders, which may also improve the visibility of the Company.
- no Director including CMD is holding any shares in the Company.
- for attaining Maharatna status, certain parameters are required to be achieved and the Company has laid out plans to achieve the stated parameters in the coming years through capacity addition, power assets acquisition etc.,
- the profitability during the last year was affected due to unprecedented heavy rain fall during the months of November and December, 2015 and also due to non stabilization of Units of TPS-II Expansion.

The Chairman requested Director(Finance) to provide the details of expenditures and the same was provided.

After replying to the queries raised by the Members, the Chairman briefed about the objectives and implications of the resolutions seeking approval of Members and then ordered for Poll in respect of agenda items listed in the Notice of AGM.

Shri.R.Balasubramaniam, the Scrutinizer was requested to carry out further activities in conducting the Poll.

The process of poll was conducted as stipulated under the Act and the relevant Rules.

After conclusion of Poll, the Chairman announced that the final results of the voting (after consolidating the result of E-Voting and Poll) would be announced as per the relevant provisions.

The proceedings of the meeting which commenced at 14.30 hours ended at 18.30 hours and the requisite quorum was present throughout the Meeting.
