Accelya's Connect2ERP™ achieves certified integration with SAP® ERP running on SAP HANA®

Airlines can now benefit from integration of Accelya financial solutions with SAP ERP

Barcelona, Mumbai, 18th October, 2016: Accelya, the leading provider of airline finance and commercial solutions, today announced that its Connect2ERP™ solution, version 2.0, has achieved SAP-certified integration with the SAP® ERP application running on the SAP HANA® platform, providing airlines with tight integration between their accounting systems and financial solutions.

The SAP Integration and Certification Center has certified that Accelya's Connect2ERP 2.0 solution integrates with SAP ERP using standard integration technologies to exchange critical data between their financial systems. With Connect2ERP 2.0, financial data from Accelya solutions will automatically sync with SAP ERP, thus eliminating manual effort. It will also make it easy for the airline to track and reference its accounting data for audit trail purpose.

Speaking on the occasion, **Mr. Mitul Mehta, Head - Marketing, Accelya** said, "We are delighted to announce that our Connect2ERP™ solution has certified integration with SAP ERP running on SAP HANA. The interoperability between Accelya financial solutions and SAP ERP will help our customers to simplify financial processes and improve productivity."
