EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 FORMING PART OF THE NOTICE APPROVAL FOR BUYBACK OF EQUITY SHARES

With an objective of rewarding members holding equity shares of the Company, through return of surplus cash, the Board at its meeting held on November 10, 2016 has approved the proposal of recommending Buyback of equity shares as contained in the Resolution in the Notice. As per the relevant provisions of the Companies Act, 2013 (hereinafter referred as "Companies Act") and other applicable provisions of Companies Act and Buyback Regulations, the Explanatory Statement contains relevant and material information to enable the members holding equity shares of the Company to consider and approve the Special Resolution on the Buyback of the Company's equity shares.

Requisite details relating to the Buyback are given below:

a) Necessity for the Buyback

Share Buyback is the acquisition by a Company of its own shares. The objective is to return surplus cash to the members holding equity shares of the Company. The Board at its meeting held on November 10, 2016, considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts for the financial year ended March 31, 2016 and considering these, the Board decided to allocate a sum of not exceeding Rs. 80 crores (Rupees Eighty crores only) for returning to the members holding equity shares of the Company through the Buyback. After considering several factors and benefits to the members holding equity shares of the Company, the Board decided to recommend Buyback for an amount not exceeding Rs. 80 Crores (Rupees Eighty Crores only) at a price not exceeding of Rs. 850 (Rupees Eight hundred and Fifty only) per equity share. Buyback is a more efficient form of returning surplus cash to the members holding equity shares of the Company, inter-alia, for the following reasons:

- i. The Buyback will help the Company to return surplus cash to its members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to members;
- ii. The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder".
- iii. The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- iv. The Buyback gives an option to the members holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment;

v. Optimizes the capital structure.

b) Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis from all the members holding equity shares of the Company through the "Tender Offer" route, as prescribed under the Buyback Regulations. The Buyback will be implemented in accordance with the Companies Act and the Share Capital Rules to the extent applicable and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date (the "Record Date") for determining the names of the members holding equity shares of the Company who will be eligible to participate in the Buyback. In due course, each shareholder as on the Record Date will receive a Letter of Offer along with a Tender / Offer Form indicating the entitlement of the shareholder for participating in the Buyback. The equity shares to be bought back as a part of the buyback is divided in two categories:

- a. Reserved category for small shareholders; and
- b. General category for all other shareholders.

As defined in Regulation 2(1) (1a) of the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on stock exchanges as on Record Date, of not more than Rs. 2,00,000 (Rupees Two Lacs only).

In accordance with the proviso to Regulation 6 of the Buyback Regulations, 15% (Fifteen Percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders as on the record date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder".

Based on the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

Shareholders' participation in Buyback will be voluntary. Members holding equity shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Members holding equity shares of the Company may also accept a part of their entitlement. Members holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any shareholder cannot exceed the number of equity shares held by the shareholder as on the Record Date. The equity shares tendered as per the entitlement by members holding equity shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback is expected to be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI vide circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015.

Detailed instructions for participation in the Buyback (tender of equity shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the members holding equity shares of the Company as on the Record Date.

c) Maximum amount required under the Buyback, its percentage of the total paid up capital and free reserves and the sources of funds from which the Buyback would be financed

The maximum amount required under the Buyback will be not exceeding Rs. 80 Crores (Rupees Eighty Crores only) which is 16.68% of the aggregate of the fully paid-up share capital and free reserves as per the audited accounts of the Company for the financial year ended March 31, 2016.

The Buyback would be financed out of free reserves of the Company. The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited balance sheet. The funds borrowed, if any, from Banks and Financial Institutions will not be used for the Buyback.

The Company confirms that as required under Section 68(2)(d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company shall be not more than twice the paid-up capital and free reserves after the Buyback.

d) Buyback Price and the basis of arriving at the Buyback Price

The equity shares of the Company are proposed to be bought back at a price not exceeding Rs. 850 (Rupees Eight Hundred Fifty only) per equity share (the "Maximum Buyback Price"). The Maximum Buyback Price has been arrived at after considering various factors such as the average closing prices of the equity shares of the Company on stock exchanges where the equity shares of the Company are listed, the net worth of the Company and the impact of the Buyback on the key financial ratios of the Company. The Maximum Buyback Price of Rs. 850 (Rupees Eight Hundred Fifty only) per Equity Share represents (i) premium of 29.91% and 29.59% over the volume weighted average price of the equity shares on BSE and NSE respectively, for 2 weeks preceding the date of intimation to the BSE and NSE for the Board Meeting to consider the proposal of the Buyback; (ii) premium of 27.59% and 27.67% over the closing market price of the equity shares on BSE and NSE respectively, as on the date of the intimation to BSE and NSE for the Board Meeting to consider the proposal of the Buyback.

e) Number of shares that the Company proposes to buyback and the time limit for completing the Buyback

At Maximum Buyback Price the number of Equity Shares that can be bought back would be 9,41,176 fully paid-up Equity Shares, representing 1.88% of the total issued and paid up equity capital of the Company. In case the final Buyback price is lower than Maximum Buyback Price, the indicative maximum number of shares would go up.

The Company will not Buyback Equity Shares exceeding 10, 00,390 Equity Shares, representing 2% of the total paid up equity share of the Company.

The Buyback is proposed to be completed within 12 months of the date of Special Resolution approving the proposed Buyback.
