UNDERSTANDING OUR BUSINESS MODEL

BUSINESS STRATEGY

Business Strategy –

- Develop Large scale Land Parcels for Mixed Use development.
- 75% of the Land to be developed as Residential & Commercial – Build & Sell model
- 25% of the Land to be developed as Retail – Build & Lease Model
- The Company follows this model so as the Cash Flows from Build & Sell portfolio facilitate the Build & lease model, Thus resulting into Debt Free Annuity Assets and free cash flows for future developments.

Residential Projects - Strategy

- The Company invests and develops the entire Clubhouse and Site Infrastructure for the project upfront before the Launch of the Project.
- It provides credibility to the business and accelerates the sale of the project, resulting into better cash flows.
- Due to this, the Company emerges as the strongest and the most credible player in the region Eg, In Nagpur, Company has received an over whelming response as compared to the best players in the region..

Mall Development - Strategy

- Dominant regional shopping and leisure destination
- Design-G + 1 Mall horizontal model with racetrack circulation
- Infrastructure-Large parking spaces planned to cater for future growth
- Tenant Mix- Well planned tenant mix with category focus to aggregate consumption

UNDERSTANDING OUR BUSINESS MODEL

BUSINESS STRATEGY

- Locations selected in high growth corridors within city limits
