Rationale of Scheme

- The amalgamation will build **more stronger and sustainable business** and enhance the potential for future growth.
- Combined entity with **strong financials** will have greater access to sources of funds, improved cash flows and increased net worth.
- **Consolidation** of intellectual property, R&D capabilities and physical infrastructure into one combined entity including an opportunity to avail **additional tax benefits for in house R&D**
- **Cost savings** from utilizing the combined facilities of all the three entities with more focus on operational efforts and simplification of business processes
- **Elimination of intercompany transactions** costs, usage of common resource pool like human resource, administration, accounts, legal amongst others
- **Operational convenience** in terms of execution of contracts and provision of related services
- **Improved relationship with customers**, as the combined post amalgamation entity would become an end-to-end API solution provider
