Mr. Ameen Khwaja, the Founder and CEO of [LatestOne.com](http://LatestOne.com) said, "In a very short span, since the inception of b2b portal, wholesale.latestone.com has gained the trust of many dealers across India. We are already receiving repeat orders from 40 dealers. Contrary to what is expected to be the effect of demonization on e-commerce sales, wholesale.latestone.com has seen an increase in online B2B sales. This shift from cash to cash-less transactions will benefit the b2b e-commerce industry."

“Looking at the fantastic response we plan to launch a mobile app for the dealers next quarter and also are targeting to double the dealer/retailer registrations to 2000 by end of Dec 2016” added Mr. Khwaja.
