### RE: LIMITED REVIEW OF THE UNAUDITED FINANCIAL RESULTS FOR THE QUARTER ENDED SEPTEMBER 30, 2016.

- We have reviewed the accompanying statement of unaudited financial results of Kalyani
  Forge Limited ("the Company") for the quarter and half year ended on September 30,
  2016. This Statement is the responsibility of the Company's management and has been
  approved by the Board of Directors. Our responsibility is to issue a report on this
  Statement based on our review.
- We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement of financial results is free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards notified under section 133 of the Companies Act 2013 read with Rule 7 of Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. We draw attention to note no. 2 to the accompanying quarterly results, viz: The Company is in process of refining valuation of Inventory in terms of stages of production and application of standard costs at each stage through SAP system. The Company believes that there will be no material impact of the same on the valuation of the inventory.

Our review conclusion is not qualified in this regard.
