Noida, 14th November, 2016: Advance Metering Technology Limited (AMTL), one of the fastest growing private players in the energy efficiency segment, today announced its earnings for the quarter ended September 30, 2016.

For its second quarter of 2016-17 fiscal, the company has recorded revenue of INR 956.52 lakhs. EBIDTA for the quarter stood at INR 271.02 lakhs and % EBIDTA to Revenue at 28.33%.

Commenting on the financial performance of the company, **Mr P.K. Ranade – Chairman and Managing Director, AMTL** said, “AMTL has continued to achieve profitable operations quarter on quarter while delivering revenue growth. The organisation has continued its thrust on product and process innovation to achieve and retain margins inspite of challenging market conditions. Investment into backward integration of operations has been a key element in the achievement of company goals. Healthy EBITDA and Bottom Line numbers will continue to be our core focus in this financial year”

About AMTL
