STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013 AND THE RULES RELATED THERETO

Item No. 1

The following Statement pursuant to Section 102 of the Companies Act, 2013, sets out all material facts relating to the business mentioned at item no. 1 in the accompanying Notice.

In view of the Government permitting the private sector to participate in the Defence Sector and in view of the Press Note No. 3 (2014) dated 26th June, 2014 issued by Department of Industrial Promotion and Policy which elaborates the items for which a license is required for manufacture of defence items, the Board of Directors of the Company at its meeting held on 14th November, 2016 has decided to foray into the defence products manufacturing and related service sector. India’s current requirements in defence sector are catered largely by imports. The opening of the strategic defence sector for private sector participation will help foreign original equipment manufacturers to enter into strategic partnerships with Indian companies and leverage the domestic markets and also aim at global business. Besides helping build domestic capabilities, this will booster exports in the long term. The Government’s policy is of promoting self-reliance, indigenization, technology upgradation and achieving economies of scale and developing capabilities for exports in the defence sector.

With the thrust of the new Government to modernise and expand the Indian Railway, the Board at the said meeting also decided to explore the ample opportunities available in the Railway manufacturing and related service sector. Indian Railways has begun exploring the PPP mode of delivery and aims to award sizeable projects through the PPP route. The sector aims to boost passenger amenities by involving PPP investments. The Indian Railways aims to involve private equity through individuals, NGOs, trusts, charitable institutions, corporates, etc. to provide passenger amenities.

The Board also decided to explore the huge opportunities available in telecom and as well as consumer durable electronics goods.

In order to enable the Company to undertake businesses proposed in the Item No. 1, it is necessary that the Main Object Clause of the Memorandum of Association of the Company (“**MOA**”) be amended.

The resolution mentioned at Item No. 1 of the Notice relates to the alteration in the Main Object Clause of the MOA, and the proposed additional main objects can be conveniently and advantageously combined and carried out with the existing objects/activities of the Company.

By virtue of Section 13 of the Companies Act, 2013 read with Rule 22 of the Companies (Management and Administration) Rules, 2014, the approval of the Members of the Company by way of Special Resolution under postal ballot is a pre-requisite to amend the objects clause of the Company and thus, your approval is sought for the same.

A copy of a) the existing MOA and Articles of Association of the Company; and b) the MOA incorporating the proposed amendments thereto is also available for inspection at the Registered office of the Company on all working days except Saturdays, Sundays and public holidays during business hours upto the date of declaration of results of Postal Ballot.

None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise in the aforesaid resolution except to the extent of their shareholding in the Company, if any.

Accordingly, the Board of Directors recommends the resolution at item No. 1 of the Notice for approval of the shareholders by way of Special Resolution to be passed through postal ballot.

Item No. 2

The new Companies Act, 2013, has made various changes in the provisions as compared to the erstwhile Companies Act, 1956. One such change was relating to the Object Clause, wherein only main objects and objects considered necessary in furtherance thereof are allowed to be part of the Objects Clause of Memorandum of Association of the Company.

In order to comply with the provisions of Section 4(1)(c), Section 13 and other applicable provisions, if any of the Companies Act, 2013, it is proposed to replace the existing heading “Objects incidental or ancillary to the attainment of the main objects” of Clause III (B) to “Matters which are necessary for furtherance of the Objects specified in Clause III(A) are” and to delete the Clause III (C) “Other Objects”

A copy of a) the existing MOA and Articles of Association of the Company; and b) the MOA incorporating the proposed amendments thereto is also available for inspection at the Registered office of the Company on all working days except Saturdays, Sundays and public holidays during business hours upto the date of declaration of results of Postal Ballot.

None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise in the aforesaid resolution except to the extent of their shareholding in the Company, if any.

Accordingly, the Board of Directors recommends the resolution at item No. 2 of the Notice for approval of the shareholders by way of Special Resolution to be passed through postal ballot.
