Limited Review Report

Review Report to
The Board of Directors
Usha Martin Limited

1. We have reviewed the accompanying statement of unaudited financial results of Usha Martin Limited ('the Company') for the quarter ended September 30, 2016 and year to date from April 1, 2016 to September 30, 2016 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. **Emphasis of Matter**

We draw attention to note 4 regarding recoverability of book values of moveable and immoveable assets including land and advances for land pertaining to Kathautia and Lohari coal blocks that were deallocated during the earlier year. The recoverability of such book values is dependent on the outcome of the various recourses being explored by the Company. Pending outcome of such recourse, no adjustments to the financial results in this regard have been considered necessary by the management. Our conclusion is not qualified in respect of this matter.
6. We have not audited or reviewed the accompanying financial results and other financial information for the three months ended September 30, 2015 and the year to date period ended September 30, 2015, which have been presented solely based on the information compiled by Management.
