7. **AUTHORITY FOR THE BUYBACK**

The Buyback is being undertaken by the Company in accordance with Article 82 of the Articles, the provisions of section 68, 69, 70 and other applicable provisions of the Companies Act, the Rules thereunder and the Buyback Regulations. The Buyback is subject to such other approvals and permissions, as may be required from statutory, regulatory or governmental authorities under applicable laws.

The Board at its meeting dated September 24, 2016, passed a resolution approving the Buyback of Equity Shares of the Company and sought approval of its Shareholders, by a special resolution, through a Postal Ballot Notice dated September 24, 2016. The Shareholders of the Company have approved the Buyback by way of a special resolution, through the postal ballot, on November 24, 2016.

8. **NECESSITY FOR BUYBACK**

The Board of the Company, at its meeting held on 24th September, 2016, considered all relevant factors, including the present debt to equity of the Company, investments planned in the next 2-3 years as well as the increase in accumulated free reserves (including a one-time cash inflow on account of a partial stake sale in a subsidiary), and considered it appropriate to allocate a sum not exceeding Rs. 720 crores (Rupees Seven Hundred and Twenty Crores Only) for distributing to the members holding equity shares of the Company, through a Buyback.

Thus, after considering several factors as well as benefits to the members holding equity shares of the Company, the Board decided to recommend Buyback not exceeding 61,27,659 equity shares (aggregating up to 9.63% of the paid-up equity share capital of the Company) at a maximum price of Rs. 1,175/- (Rupees One Thousand One Hundred Seventy Five) per equity share for an aggregate consideration of up to Rs. 720 Crores (Rupees Seven Hundred Twenty Crores Only).

Subsequently, the Buyback Committee in its meeting held on November 25, 2016 determined the final price as Rs. 1,150/- (Rupees One Thousand One Hundred Fifty Only) per equity share, aggregate consideration for Buyback of up to Rs. 719,99,99,350 (Rupees Seven Hundred Nineteen Crores Ninety Nine Lacs Ninety Nine Thousand Three Hundred Fifty Only), implying buyback of 62,60,869 equity shares

Buyback is a way of rewarding shareholders in an expedient, efficient and cost effective manner. Additionally, the Company's management strives to increase shareholders' value and the Buyback would result in, amongst other things;

- Distribution of surplus funds to the members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to members;
- Enhancing shareholders' confidence;
- Achieving optimal capital structure;
- Mitigating the short term market volatility
- The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of 15% of the outlay to small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder";
- The Buyback would help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- The Buyback gives an option to the members holding equity shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment.

9. **MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK**

The maximum amount required under the Buyback would not exceed Rs. 719,99,99,350/- Crores (Rupees Seven Hundred Nineteen Crores Ninety Nine Lacs Ninety Nine Thousand Three Hundred Fifty Crores Only), which is 19.73% of the total paid-up capital and free reserves as per the audited

accounts of the Company for the financial year ended March 31, 2016 (excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, service tax, stamp duty, etc.)

The Buyback would be financed out of free reserves of the Company. The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited Balance Sheet.

The Company confirms that as required under Section 68(2)(d) of the Act, the ratio of the aggregate of secured and unsecured debts owed by the Company shall not be more than twice the paid-up equity share capital and free reserves after the Buyback.

10. MAXIMUM PRICE FOR BUYBACK OF THE EQUITY SHARES

The Equity Shares are proposed to be bought back at a price of Rs. 1,150/- (Rupees One Thousand One Hundred Fifty only). The Buyback Price has been arrived at after considering many factors, including, but not limited to the trends in the volume weighted average prices of the Equity Shares of the Company on the BSE and NSE Stock Exchanges where the Equity Shares of the Company are listed during last three months and two weeks, the net worth of the Company and impact of Buyback on the key financial ratios of the Company. .

The Buyback Price represents a premium of 15.90% and 15.48% over the volume weighted average price of the Equity Shares on BSE and on NSE respectively for 3 months preceding September 20, 2016 (the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback) and 16.11% and 14.61% over the volume weighted average price of the Equity Shares on BSE and on NSE, respectively for 2 weeks preceding September 20, 2016 (the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback).

11. MANAGEMENT DISCUSSION AND ANALYSIS ON LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

1. The Buyback is not likely to cause any impact on the profitability/ earnings of the Company, except to the extent of reduction of in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. In the event that there is 100% acceptance of the Equity Shares tendered in the Buyback from Shareholders on a proportionate basis, the funds deployed by the Company towards the Buyback would be Rs. 719,99,99,350/- (Seven Hundred Nineteen Crores Ninety Nine Lacs Ninety Nine Thousand Three Hundred Fifty Only). This shall impact the investment income earned by the Company, on account of reduced amount of funds available for investments.
2. The Buyback is not expected to impact growth opportunities for the Company.
3. The Buyback is expected to contribute to the overall enhancement of shareholder value and result in an increase in the return on equity of the Company.
4. The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.
5. In terms of the Buyback Regulations, under the Tender Offer route, the promoters of the Company have the option to participate in the Buyback. In this regard, the promoter and promoter group of the Company have expressed their intention vide their letter dated September 24, 2016, to tender their Equity Shares in the Buyback. The Promoter and promoter group hereby intend to participate in the Buyback and offer up to an aggregate maximum number of 50,52,873 Equity Shares or such lower number of Equity Shares depending up on the response received in the buyback from the public shareholders and subject to the combined shareholding of the promoter and promoter group remaining at least 60% of the post buyback total paid up equity capital to the extent possible.

General Category	[•] Equity Shares out of every [•] fully paid-up Equity Shares held on the Record Date

5. **Fractional Entitlements**

If the entitlement under Buyback, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share) then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold [*] or less Equity Shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

6. **Basis of Acceptance of Equity Shares validly tendered in the Reserved Category**

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- a. Full acceptance of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b. Post the acceptance as described in paragraph 23(6)(a), in case, there are any Shares left to be bought back in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of ignoring the fractional entitlement), and have tendered Additional Shares, shall be given preference and one Equity Share each from the Additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c. Post the acceptance as described in paragraph 23(6)(a) and (b), in case, there are any validly tendered unaccepted Shares in the Reserved Category ("**Reserved Category Additional Shares**") and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 23(6)(b), shall be reduced by one.
- d. Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 23(6)(c), will be made as follows:
 - For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

7. **Basis of Acceptance of Equity Shares validly tendered in the General Category**

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- a. Full Acceptance of Shares from Shareholders in the General Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b. Post the acceptance as described in paragraph 23(7)(a), in case, there are any validly tendered unaccepted Shares in the General Category ("**General Category Additional Shares**") and Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder

shall be equal to the General Category Additional Shares by the Shareholder divided by the total General Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in General Category.

- c. Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 23(7)(b), will be made as follows:
- For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

8. Basis of Acceptance of Equity Shares between the two categories

- a. After acceptances of tenders, as mentioned in paragraph 23(6) and 23(7), in case, there are any Shares left to be bought back in one category ("**Partially Filled Category**") and there are additional unaccepted validly tendered Shares ("**Further Additional Shares**") in the second category ("**Over Tendered Category**"), then the Further Additional Shares in the Over Tendered Category shall be accepted in a proportionate manner i.e. valid acceptances per Shareholder shall be equal to Further Additional Shares validly tendered by the Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Shares left to be bought back in the Partially Filled Category.
- b. If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before acceptance in paragraph 23(8)(a) out of the Shares left to be bought back in the Partially Filled Category provided no acceptance could take place from such Shareholder in accordance with paragraph 23(6)
- c. Adjustment for fraction results in case of proportionate acceptance, as defined in paragraph 23(8)(a):
- For any Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Committee or any person(s) authorized by the Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section 23.

9. For avoidance of doubt, it is clarified that, in accordance with the clauses above:

- **Shares accepted under the Buyback from each Eligible Shareholder, shall be lower of the following:**
 - the number of Shares tendered by the respective Shareholder and
 - the number of Shares held by the respective Shareholder, as on the Record Date.
- **Shares tendered by any Shareholder over and above the number of Shares held by such Shareholder as on the Record Date shall not be considered for the purpose of Acceptance.**

10. Clubbing of Entitlement

In order to ensure that the same shareholders with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the equity shares held by such shareholders with a common Permanent Account Number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these equity shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories.
