- ii. **Turnover of demerged division as a percentage of total turnover:**

Not Applicable.

- iii. **Rationale for demerger:**

- a. The restructuring proposed by the Management will enable investors to separately hold investment in businesses with different investment characteristics, thereby enabling them to select investments which best suit their investment strategies and risk profiles.
- b. In order to effectively and efficiently cater to the independent growth plans both through organic and inorganic means, for each of the businesses of the respective Company, there is a requirement of diversification and continuous funding support through equity and debt. In view of this, the Management proposes to re-organize the business of the Demerged Companies in order

to facilitate greater efficiency in cash management and excess of cash flow generated to maximize shareholders' value. Therefore, it is proposed to demerge various Demerged Undertakings, being the Investment Divisions for different asset types of the Demerged Companies and transfer and vest the same in different Resulting Companies.

- c. The demerger shall facilitate the running of the other Investment business of the Demerged Company with a greater and focused approach. Further, the demerger shall help to create a focused Investment company.
 - d. This reorganization and segregation of the businesses, is indispensable to provide focused management attention and leadership required by the business which is to be segregated and demerged as also by the residual business.
 - e. Also it is believed that the proposed segregation will create enhanced value for shareholders and allow a focused strategy in operations, which would be in the best interest of the companies mentioned herein, its shareholders, creditors, and all other person connected with the companies.
- iv. **Brief details of change in shareholding pattern of all entities:**
