LIMITED REVIEW REPORT

To,
Board of Directors,
Fineotex Chemical Limited
Mumbai

We have reviewed the accompanying statement of consolidated unaudited financial results for the quarter and nine months ended 31st December, 2015 of Fineotex Chemical Limited ("the Company"), and its subsidiaries ("the Group"). This financial statement is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to issue a report on this financial statement based on our review.

We conducted our review in accordance with the Revised Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India to the extent applicable. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with recognition and measurement principles laid down in the applicable Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We did not review the interim financial results of seven subsidiaries included in the Statement, whose interim financial results reflect total revenues of Rs. 4101.65 Lakhs and total profits of Rs. 754.83 Lakhs for the nine months ended 31st December, 2015. These interim financial results have not been reviewed and have been reported by the management of the Company.
