Notes:

- 1). The previous period / year's figures have been regrouped wherever necessary.
- 2). Having regard to the integrated nature of real estate development business and the parameters of Accounting Standard-17 issued by Central Government under Companies Accounting Standards Rules, 2006, the operations of the company are within single segment. The generation of electricity by the company's windmill project does not qualify as a reporting segment as per the said standards.
- 3). The Company has recognized the revenue of all projects which commenced on or after April 1, 2012 and also to projects which have already commenced but where revenue is being recognized for the first time on or after April 1, 2012 by applying Guidance Notes on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India.
- 4). In the Audit Reports on Accounts for the year March 31, 2015, and Limited Review Reports for the quarters ended June 30, 2015, September 30, 2015 and December 31, 2015, the auditors have made certain observations/qualifications. The Management's response to these observations/qualifications are as under:-
 - i). During the period under review the Company has not claimed any exemption under section 80 IA of the Income Tax Act, 1961. Exemption amounting to Rs. 3,448 lacs has been claimed upto the year ended March 31, 2011 under section 80 IA of the Income Tax Act, 1961 being tax profits arising out of sale of Industrial Park units, pending the notification of the same by Central Board of Direct Taxes (Competent Authority). The Competent Authority has not passed notification under section 80 IA (4) (iii) of the Act and, hence, rejected the application as filed by the company, against which Review Petition has been filed by the company before the Competent Authority. The company has taken the opinion that the Review Petition as filed satisfies all the conditions specified under Industrial Park Scheme, 2008 being replaced under Industrial Park (Amendment) Scheme, 2010, hence, eligible for notification under section 80 IA (4) (iii) of the Act.
 - ii). The Auditors of the Company have drawn attention to the fact that the Company is carrying project inventory of Rs.17646 lacs for Group Housing Project in Greater Noida. The Greater Noida Industrial Development Authority (GNIDA), keeping in view the market conditions, announced a Scheme whereby the developers have an option to accept project on a smaller piece of land equivalent to the amount paid and surrender balance project land subject to certain conditions. Pursuant to this Scheme, a Surrender Deed for the balance project land has been executed with GNIDA during the quarter ended December 15. The management is of the view that there is no impairment in the value of land/ project.
- 5). With a view to monetize its non-core assets, the Company entered into an agreement to dispose off its Wind business on slump sale basis at a total sale consideration of Rs. 3294 Lacs in March 2015. The Agreement envisaged compliance of certain pre-conditions by the Company. As most of these conditions have been complied with during the quarter ended June 30, 2015, therefore, sale of Windmill business has been recognized in accounts in the said quarter. Consequently, the difference between the carrying book value of net assets in Wind business and the net realizable value, resulting into deficit of Rs. 1532 lacs has been recognized under Exceptional Items.
- 6). During the quarter ended September 2015, the Company has transferred Infrastructure Assets in one of the integrated Hi-Tech Township projects in Uttar Pradesh, to a wholly owned Infra Subsidiary Company on the basis of fair valuation by a certified valuer. Resultant gain of Rs. 2,404 lacs on transfer of such Infrastructure Assets, being the difference between the transfer value and book value has been recognized during the previous quarter. Further, pursuant to AS-21 which deals with Consolidated Financial Statements, such gain has been eliminated in the consolidated financial results on account of this intra-group transaction.
- 7). The above financial results which have been subjected to Limited Review by the Statutory Auditors of the Company have also been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on the 11th February, 2016.
