**LIMITED REVIEW REPORT**

**REVIEW REPORT TO  
THE BOARD OF DIRECTORS,  
DHANLAXMI BANK LIMITED**

1. We have reviewed the accompanying statement of unaudited financial results of Dhanlaxmi Bank Limited for the period ended 31<sup>st</sup> December, 2015 ("the Statement"), excluding the "Pillar 3" disclosures under Basel III Capital Regulations" disclosed on the Bank's website and in respect of which a link has been provided in Statement, being submitted by the Bank pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. In the conduct of our Review we have relied on the review reports in respect of non-performing assets received from concurrent auditors of 78 branches specifically appointed for this purpose. These review reports cover 71 percent of the advances portfolio of the bank. Apart from these review reports, in the conduct of our review, we have also relied upon various returns received from the branches of the bank.
4. We refer to Note: 5 of published results, regarding funds of Rs. 7,838 lakhs not provided to pension trust for purchase of annuities for payment of pension/increase in dearness allowance. Had this provision been made in the accounts, operating expenses and loss would have been increased by Rs.7,838 lakhs.
5. Based on our review conducted as above, with the exception of the matter described in the paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.
