Subject Disruption of operations due to flooding and rain at Manali Industrial Area, Manali, Tamil Nadu Plant.
Reference Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015

Dear Sir,

Kindly refer to our intimation dated 2.12.2015 and 5.1.2016 on the subject.

In continuation of the above, we would like to apprise you about further developments with regard to the disruption in the operations at the Company's factory located at Manali Industrial Area, Manali, Tamil Nadu as follows :-

a)	Expected Quantum of damage caused	Rs. 80 Crores (approx.)
b)	Whether the damage covered by insurance or not including amount	Covered by Insurance subject to regular caveats and exclusions.
c)	Insurance amount claimed and realized for the loss/damage	An estimate of the likely damage amounting to Rs. 80 Crores (approx.) has been filed with the Insurance Company. The Insurance company has not released any payment against the said estimate of damage.
d)	Details of steps taken to restore normalcy and the impact of the disruption on production and financials of the Company.	The Plant is returning to normalcy in phases since December 25 th , 2015. As things stand today, approximately 40% to 50% of the Plant is operational. The polymerization process is expected to commence by early March, 2016. At that time total production is expected to be back to normal levels. The estimated financial loss till end January, 2016 (including December, 2015) is expected to be Rs. 18~20 Crores (approx.).

Adequate steps are being taken to restore normalcy and further updates will be communicated in due course.

Thanking you,

Yours faithfully,

For **SRF Limited**
