REVIEW REPORT ON THE UNAUDITED RESULTS FOR THE QUARTER ENDED DECEMBER 31, 2015.

1. We have reviewed the accompanying statement of unaudited financial results of PAE Limited for the period ended December 31, 2015. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the **Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements** issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Basis for Qualified Conclusion:

The company has made Long Term Investment of Rs.785.66 lacs in its subsidiary, Shurjo Energy Pvt. Ltd., (SEPL) and has given loans and advances of Rs.643.86 lacs to the said subsidiary. SEPL's accumulated loss as at the end of the current quarter amounting to Rs. 1143.63 lacs has exceeded its Net Worth. Despite this, for the reasons mentioned in Note No 3 of Notes to published results, the company is of the opinion that no diminution is required in the value of its long term investment in the subsidiary. Also the loans and advances given to SEPL are considered as fully recoverable. However we do not have appropriate audit evidence to determine the extent of adjustments that may be required to the carrying value of the said investment or to the value of loans and advances recoverable from SEPL.

4. Qualified Conclusion:

Subject to matters referred in para 3 above and based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Matter of Emphasis:

We draw attention to Note No.5 of Notes to published results. For the reason mentioned therein, the accounts of the company have been prepared on going concern basis. After taking into account the diminution in the value of the investment and non recovery of advances given to its subsidiary named SEPL as per the point no 3 above, the networth of the company is negative as at the end of the quarter. Further the company has incurred cumulative loss of Rs.4705.03 lacs till the end of the quarter including loss of Rs.1521.24 lacs (after providing the exceptional item for diminution of investment in PAE Renewables Pvt. Ltd.,) for the current quarter. These conditions indicate existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

Our review conclusion is not modified in respect of above matter.
