**Sub: Rumour Verification-CIL Temporarily Halts Production at its Mines
Over Lack of Demand
Ref.: Scrip Code 533278.**

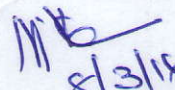

Dear Sir,

We refer to your email dated 4th March'2016. Our clarifications are as under:-

Due to regulated lifting by the Power Houses, Coal stock has increased in some of the mines of Coal India Limited. Increase in stock will create stock management problems, deterioration in quality of coal and the coal may catch fire. As such some of the mines have regulated production. However, as on 7th March'2016, company has achieved a positive growth of 9.3% and absolute growth of 41.81 MT compared to the last year same period.

This is for your information and records. This is as per Regulation 30 of the SEBI (LODR) Regulations 2015.

Yours faithfully,

(M. Viswanathan)
Company Secretary &
Compliance Officer.
