Dear Sir,

Sub : Increase in price
Ref : Your e-mail L/DOSS/ONL/PV/RS/2016-17/5

With reference to the above, we would like to inform you that there has not been any event/information that have a bearing on the operations/performance of the company. A distant event that can be mentioned is the dismissal of an appeal filed by the Government of Kerala in the Supreme Court against an order of the High Court of Kerala in the matter of rejection of sand mining application made by a company KREML of which this company is one of the promoters. The copy of the order of the Supreme Court is yet to be received. At any rate, this will not have any impact on the working or financial performance of this company in the near future. In our opinion, the price movement in the scrip is purely speculative, on which we cannot comment.

Thanking you,

Yours faithfully

For COCHIN MINERALS AND RUTILE LIMITED.,
