11.0 ISSUE OF SHARES FOR DEMERGED UNDERTAKINGS

11.1 The Resulting companies are wholly owned subsidiaries of the Demerged Company. The Scheme envisages restructuring of the businesses of the Demerged Company to provide focused attention to design independent strategies with a view to capture the full growth potential of various businesses in which the Undertakings 1 to 4 are engaged into. Since the Resulting companies are wholly owned subsidiaries of the Demerged Company, the Demerged Company will continue to have the Demerged Undertakings under its own control without having to issue any further capital by the respective Resulting companies to the Demerged Company. However, to account for the arms length principle and as required under Paragraph 11 of Accounting Standard - 13 (Accounting for Investments) notified under Companies (Accounting Standards) Rules, 2006 under Section 133 of the Act; the fair value of each of the undertakings proposed to be transferred under the Scheme is determined on the basis of the valuation as carried out by M/s PRSV & Co., LLP and S.T. Mohite & Co., Chartered Accountants. The Fair value so determined by the valuation is adopted for determining the Issued Value of Equity Shares and Preference shares by the respective Resulting Company.

12.0 RESTRUCTURING OF SHARE CAPITAL OF DEMERGED COMPANY

12.1 All the assets and liabilities of the Demerged Undertakings shall be transferred to the respective Resulting Company at the values appearing in the books of the Demerged Company (at historical cost less depreciation and without any revaluation in respect of assets) immediately before the demerger.

The Demerged Company will record the Equity and Preference Shares received by it under this Scheme from the respective Resulting Company at the respective Issue Price (i.e., Issue Price of the Equity Shares and Issue Price of the Preference Shares) as Long term Investments in its books of account.

Nothing contained in this Scheme shall be construed to imply that the transfer and vesting of the Demerged Undertakings to the respective Resultant companies shall remain or deemed to have remained suspended or in abeyance till the process of redemption of the Preference Shares issued under the Scheme.

12.3 As the Scheme does not envisage any restructuring of the Share Capital of the Demerged Company, the Demerged Company shall not be required to add "And Reduced" as suffix to its name.

13.0 ACCOUNTING TREATMENT

- 13.1 The respective Resulting Company shall record the assets and liabilities, including provisions and deferred tax liability / asset, if any of the Demerged Undertaking vested in it pursuant to this Scheme, at the values thereof appearing in the books of the Demerged Company immediately before the demerger without any revaluation.
- 13.2 The excess of assets over the liabilities transferred to and vested in the respective Resulting Company by virtue of this Scheme coming into effect, and in excess of the Issued Value of Equity and Preference Shares, would be credited to 'Capital Reserve Account', which shall be a Reserve of the respective Resulting Company. If the Issued Value of Equity and Preference Shares exceed the value of excess of assets over the liabilities transferred, the same would be treated as 'Goodwill'.
- 13.3 The Face Value of the Equity and Preference Shares issued under the Scheme shall be accounted as the "Issued, Subscribed & Paid Up Equity Share Capital" and "Issued, Subscribed and Paid up 6% Cumulative Preference Capital" respectively.
- 13.4 Each of the Resulting Companies shall account for the Initial Premium in respect of the issue of Equity and Preference Shares under this Scheme as "Securities Premium" under section 52 of the Act which may be applied at the time of Redemption of the Preference Shares under the Scheme on completion of given tenure or such other purposes as decided by the Directors of the respective Resulting Company and as permitted by the Act.
- 13.5 The Demerged Company shall record the transfer of assets and liabilities, including provisions and deferred tax liability / asset, if any of the Demerged Undertakings vesting in the respective Resulting Company under this Scheme, at the values appearing in the books of the Demerged Company immediately before the demerger without any revaluation. The excess of assets over the liabilities transferred to the respective Resulting Company to the extent it exceeds the Issued Value of Equity and Preference Shares, would be debited to the existing 'Amalgamation Reserve' being carried in the books of the Demerged company. If the Issued Value of Equity and Preference Shares exceed the excess of assets over the liabilities transferred, the same would be treated credited to the existing 'Amalgamation Reserve'
- 13.6 For any matter arising in connection with the accounting treatment, the companies would deal with the same in consultation with the Statutory Auditors of the respective companies.
- 13.7 The Demerged Company has been advised that the provisions of Part II of the Scheme are in compliance with Section 2 (19AA) of the Income Tax Act, 1961 and are intended to be implemented accordingly.
- 13.8 The respective Resulting Company and the Demerged Company are expressly permitted to revise their Income Tax returns and seek revision of Tax deduction at Source (TDS) certificates as well as the right to claim refund, advance tax credits, MAT credits and adjustments, etc, if any, upon this Scheme becoming effective.

Rationale of the Scheme

The Management of Sree Rayalseema Hi-Strength Hypo Limited (SRHHL) have proposed a Scheme of Arrangement for the demerging of its undertakings, Thermal power division, Wind energy division, industrial parks Division and Shrimp Hatchery and other infrastructure assets to the resulting companies namely

- SRHHL Power Generation (1st Resulting Company)
- SRHHL Infrastructure Private Limited (2nd Resulting Company)
- TGV Infrastructure & Industrial Parks Private Limited (3rd Resulting Company)
- Sri Vibhu Infrastructure Development Private Limited (4th Resulting Company).

This Scheme of Arrangement deals with the demerger of the Demerged Undertakings of the Demerged Company that is SRHHL to the wholly owned subsidiaries of the Demerged Company named as Resulting Companies 1 to 4 mentioned above. The demerger does not involve any cash consideration as the scheme is envisaged for corporate restructuring and the transfer is to wholly owned subsidiaries of the Demerged Company. The scheme also does not envisage any restructuring of the share capital of the Demerged Company. Since the Resulting companies are wholly owned subsidiaries of the Demerged Company, the Demerged Company will continue to have the Demerged Undertakings under its own control without having to issue any further capital by the respective Resulting companies to the Demerged Company.

The scheme however, envisages that on the basis of a Fair value of business of the proposed demerged Undertakings, the respective Resulting Companies should issue Equity shares and Preference shares to the Demerged Company under this Scheme. On the Scheme coming into effect, the Demerged Company will pursue the Remaining Business.

Since there is no change in the shareholding pattern of the demerged company SRHHL due to the demerger hence no valuation has been undertaken by SRHHL from an Independent Valuer as per SEBI Circular No. CIR/CFD/DIL/5/2013 dated 4th February 2013 read with SEBI Circular No. CIR/CFD/DIL/8/2013 dated 21 May 2013. We understand that the proposed appointed date for the Demerger is 1 September, 2015.

However, to account for the arms length principle and as required under Paragraph 11 of Accounting Standard – 13 (Accounting for Investments) notified under Companies (Accounting Standards) Rules, 2006 under Section 133 of the Act, the fair value of each of the undertakings proposed to be transferred under the Scheme is determined on the basis of the valuation as carried out by M/s PRSV & Co., LLP and S.T. Mohite & Co., Chartered Accountants. The Fair value so determined by the valuation is adopted for determining the Issued Value of Equity Shares and Preference shares by the respective Resulting Company.

The Resulting companies are allotting shares only to demerged company and not to the shareholders of the demerged company. Hence there is no SWAP ratio for allotting shares to shareholders of demerged company.

About the companies

Fairness Opinion

As explained to us the demerger is in the interest of all concerned including the shareholders, creditors and employees as it provides the necessary focus, flexibility and vibrancy to all the businesses of the undertakings and the demerged company. In view of the above and on consideration of all the relevant factors and situation we believe that the scheme of Arrangement is Fair.

We hereby give our consent to present and disclose the Fairness Opinion in the general

meeting of the shareholders of SRHHL pursuant to Clause 24 (f) of Listing Agreement to the BSE limited ('BSE') and the National Stock Exchange of India Limited ("NSE") the Hon'ble High Court of Andhra Pradesh and Telangana and such other authorities in connection with the proposed purpose.
