

**STATEMENT ON IMPACT OF AUDIT QUALIFICATIONS ON CONSOLIDATED FINANCIAL RESULTS**

1	Name of the Company	Dolphin Offshore Enterprises (India) Ltd.
2	Annual financial statements for the year ended	March 31, 2016
3	Type of Audit qualification	Qualified
4	Frequency of qualification	Appeared first time in March 31, 2016
5	<p><b><u>Basis of Qualified Opinion</u></b></p> <p>The auditors of a Subsidiary Company have, in their audit report, conveyed their inability to assess the recoverability of certain Trade Receivables amounting to Rs. 10,444.69 lacs. Further, they have also conveyed their inability to determine whether any adjustment on account of impairment would be necessary in Property Plant and Equipment amounting to Rs. 1,985.77 lacs.</p>	<p><b><u>Management Response</u></b></p> <p>Trade receivables consist of an amount of Rs. 87,10.84 lacs due by Evya. The Company has commenced arbitration in the London Court of International Arbitration against Evya to enforce its rights and recover the amount due. The Company has already made the claim submissions and applied for an interim award.</p> <p>For trade receivables amounting to Rs.13,65.29 lacs, legal action has been initiated against the Parties to recover the outstanding amount.</p> <p>Management is confident of recovering above amounts and accordingly no provision is required in the books of account.</p> <p>Management has deferred the construction of the Vessels in view of the current market situation. Should the project not continue, the recoverability of the work in progress is expected to be around Rs. 13,23.55 lacs. In the current year, there would be more visibility on the project and management would then take a call on the course of action.</p>

3 The Auditors' report on the financial statements contains qualification/reservation as under:--

- Considering the nature of projects being executed by the Company and its main customers, the consequential claims and counter claims towards liquidated damages, change order, etc. as per general practice prevalent in the industry, the balances outstanding as trade receivables (which also include interest charged as per contract terms), billable costs, advances to/balances payables towards contractors and vendors of the Company are not confirmed and against some of them the Company has also initiated legal actions. However, the management is confident that such receivables/ payables are stated at their realisable/ payable value and adequate provisions are made in the accounts wherever required.
- During the year 2009-2010, the Company has taken extra time to complete an EPC contract beyond the scheduled contract completion date as the Company had to execute significant additional work and also on account of delays not attributable to the Company. The potential liability for liquidated damages resulting from the extended completion date amounts to Rs. 12,29.46 lacs (March 31, 2015 - Rs. 11,08.55 lacs). As the Company believes that the liquidated damages will be waived for the reasons stated above, no provision for the same has been made in the books till date.

*MA*

c) During the year 2010-2011, the Company has incurred additional expenditure on executing additional work in terms of an EPC contract. The Company has quantified and submitted some of its claims for extra work done and the matter has been referred to the Arbitration for resolution. However, as a matter of abundant caution, only a portion of these extra claims amounting to Rs. 18,98.24 lacs (March 31, 2015 - Rs. 18,98.24 lacs) has been recognised as revenue. The balance of the additional claims will be recognised as revenue as and when they are accepted by the customer.

d) The Company has incurred additional expenditure on executing additional work in terms of another EPC contract. Here also, the Company has quantified the value of extra work done at Rs. 1,02,00.76 lacs (March 31, 2015 - Rs. 1,02,00.76 lacs) and has commenced discussions with the customer for finalising it. Out of this, invoices for Rs. 23,24.07 lacs (March 31, 2015 - Rs. 23,24.07 lacs) have been raised on the customer and the balance amount of Rs. 78,76.69 lacs (March 31, 2015 - Rs. 78,76.69 lacs) accrued on this account is included under other current assets. The recognition of such revenue is subject to acceptance by the customer.

e) Current Assets include Rs. 29,76.60 lacs, due from parties which are either wound up or declared Sick and the claims are being lodged with Official liquidator/ Monitoring Agency. However, the management is confident that provisions amounting to Rs.12,64.85 lacs made against such receivables is adequate

f) The auditors of a Subsidiary Company have qualified their audit report for following matters:

Trade and other receivables include an amount of Rs. 1,04,44.69 lacs for which auditors of Subsidiary Company have not been able to obtain sufficient appropriate audit evidence as to its recoverability as at reporting date.

Property, Plant and Equipment includes work in progress of Rs. 19,85.77 lacs relating to amount spent towards the construction of barges. As at reporting date, the construction has been withheld and impairment thereof (if any) cannot be assessed.

Consequently, auditors of a Subsidiary Company were unable to determine whether any adjustments to the above amounts would be necessary.

4 Exceptional items amounting to Rs Nil (2015 - Rs. 28,00.08 lacs) reported in the account include the following :

	<u>Rs. in lacs</u>	
	<u>31/03/2016</u>	<u>31/03/2015</u>
- Debts written off *	-	20,84.54
- Reversal of accrued income *	-	7,15.54
* On account of extended litigation / resolution	-	28,00.08
<b>TOTAL :</b>	<b>-</b>	<b>28,00.08</b>

5 As the Company has only one business segment, namely Offshore Services, the segment reporting requirement is not applicable.

6 The figures for last quarter of the current year and for the previous year are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the third quarter

7 Prior period figures have been reclassified as necessary for comparative purpose only.

3 The Auditors' report on the financial statements contains qualification/reservation as under:--

- a) Considering the nature of projects being executed by the Company and its main customers, the consequential claims and counter claims towards liquidated damages, change order, etc. as per general practice prevalent in the industry, the balances outstanding as trade receivables (which also include interest charged as per contract terms), billable costs, advances to/balances payables towards contractors and vendors of the Company are not confirmed and against some of them the Company has also initiated legal actions. However, the management is confident that such receivables/ payables are stated at their realisable/ payable value and adequate provisions are made in the accounts wherever required.

*Handwritten signature/initials*

- b) During the year 2009-2010, the Company has taken extra time to complete an EPC contract beyond the scheduled contract completion date as the Company had to execute significant additional work and also on account of delays not attributable to the Company. The potential liability for liquidated damages resulting from the extended completion date amounts to Rs. 12,29.46 lacs (March 31, 2015 - Rs. 11,08.55 lacs). As the Company believes that the liquidated damages will be waived for the reasons stated above, no provision for the same has been made in the books till date.
- c) During the year 2010-2011, the Company has incurred additional expenditure on executing additional work in terms of an EPC contract. The Company has quantified and submitted some of its claims for extra work done. However, as a matter of abundant caution, only a portion of these extra claims amounting to Rs. 18,98.24 lacs (March 31, 2015 - Rs. 18,98.24 lacs) has been recognised as revenue. The balance of the additional claims will be recognised as revenue as and when they are accepted by the customer. The matter was referred to the Outside Expert Committee (OEC) for resolution. Post its recommendation during the year for a lower amount, the matter has now been referred to Arbitration.
- d) The Company has incurred additional expenditure on executing additional work in terms of another EPC contract. Here also, the Company has quantified the value of extra work done at Rs. 1,02,00.76 lacs (March 31, 2015 - Rs. 1,02,00.76 lacs) and has commenced discussions with the customer for finalising it. Out of this, invoices for Rs. 23,24.07 lacs (March 31, 2015 - Rs. 23,24.07 lacs) have been raised on the customer and the balance amount of Rs. 78,76.69 lacs (March 31, 2015 - Rs. 78,76.69 lacs) accrued on this account is included under other current assets. The recognition of such revenue is subject to acceptance by the customer.
- e) Current Assets include Rs. 29,76.60 lacs, due from parties which are either wound up or declared Sick and the claims are being lodged with Official liquidator/ Monitoring Agency. However, the management is confident that provisions amounting to Rs.12,64.85 lacs made against such receivables is adequate

4 Exceptional items amounting to Rs. Nil (2015 - Rs. 28,00.08 lacs) reported in the account include the following :
