This Scheme of Amalgamation and Arrangement (the “**Scheme**”) is presented under Sections 391 to 394 read with Sections 100 to 104 of the Companies Act, 1956 (including any statutory modifications or re-enactments or amendments thereof) read with Section 52 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 1956 and Companies Act, 2013 for the amalgamation of Webtech Labels Private Limited with Huhtamaki PPL Limited (Formerly The Paper Products Limited).

**A. Description of Companies**

**Huhtamaki PPL Limited**

- (a) Huhtamaki PPL Limited (“**HPPL**”) is a company incorporated under the provisions of the laws of India and has its registered office at Unit No. 12A-06, 13<sup>th</sup> Floor, Parinee Crescenzo, Plot No. C-38/C-39, G Block, Behind MCA, Bandra Kurla Complex, Bandra (East), Mumbai - 400051. HPPL is a company listed on the BSE Limited (“**BSE**”) & National Stock Exchange of India Limited (“**NSE**”) and its CIN is L21011MH1950FLC145537. HPPL was originally incorporated as The Paper Products Limited on 12<sup>th</sup> June, 1950 and changed its name to Huhtamaki PPL Limited in 2014. A fresh Certificate of Incorporation of HPPL was issued on 27<sup>th</sup> May, 2014. HPPL’s main business is manufacture and sale of flexible packaging material, Packaging Machines and other Products which are to become inputs into finished packaging materials.

**Webtech Labels Private Limited**

- (a) Webtech Labels Private Limited (“**WLPL**”) is a company incorporated under the provisions of the laws of India and has its registered office at 210, Shree Krishna Commercial Centre, 6, Udyog Nagar, Goregaon (West), Mumbai 400062. WLPL was incorporated on 22<sup>nd</sup> August, 2012 and its CIN is U74120MH2012PTC234762. WLPL is a subsidiary of HPPL, and is a joint venture between HPPL and Chhaged family. WLPL is carrying on the business mainly of manufacture and sale of Pressure Sensitive Labels and other allied products and items.

**B. Rationale and Purpose of the Scheme**

The amalgamation of WLPL with HPPL would *inter alia* have the following benefits:

- (a) WLPL is in the business of manufacturing items which are similar and synergistic to those manufactured and dealt with by HPPL. Upon the Scheme coming into effect, the synergistic benefits arising from the amalgamation of WLPL and HPPL would result in an even more effective business strategy for HPPL and in greater efficiency, cost management, centralization of resources and technologies and cost effectiveness in the functioning and operation of HPPL. Further, the Scheme will result in the entire undertaking of WLPL transferring to HPPL, thereby resulting in the shareholders of HPPL and WLPL having participation in, and benefiting from, the growth and prospects of the combined business operations of HPPL and WLPL.

- (b) The Scheme (as defined hereinafter) will assist in achieving higher long term financial returns than would have been achieved by WLPL and HPPL as separate entities, as the Scheme will make available assets, financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of WLPL and HPPL leading to synergistic benefits, enhancement of future business potential, increased global competitiveness, cost reduction and efficiencies, productivity gains and logistical advantages, thereby contributing to significant future growth and enhancement of shareholder value.
- (c) Cost saving by reduction of administrative and other overhead costs, avoidance of duplication and pooling of managerial skills. It would enable focused management attention towards the business and enable better growth in the same.
- (d) The Scheme will result in rationalization and standardization of the business processes, economies of scale and consolidation of opportunities offered by the Scheme which will contribute to make HPPL, pursuant to the sanctioning of the Scheme, more profitable, thereby further enhancing the overall shareholder value. Pursuant to the sanctioning of the Scheme, WLPL will stand dissolved, consequently, there would be lesser regulatory and legal compliance obligations including accounting, reporting requirements, statutory and internal audit requirements, tax filings, company law requirements, etc. and therefore reduction in administrative costs.

In view of the aforesaid, the Board of the Transferor Company/ WLPL and the Board of the Transferee Company/ HPPL have approved the Scheme of Amalgamation between WLPL, i.e. the Transferor Company and HPPL, i.e. the Transferee Company in order to benefit the stakeholders of both the companies. The scope of this Fairness Opinion includes commenting on the fairness of the Share Exchange Ratio recommended by the Valuer and not on the value *per se* of each company, and not on the fairness of the amalgamation or of the Scheme of Arrangement or on the economic rationale of the amalgamation or of the Scheme of Arrangement.

This Fairness Opinion is submitted to the Board of Directors of HPPL. This Fairness Opinion is issued only for the purpose of facilitating the Scheme of Arrangement in terms of the listing agreement of HPPL with the Stock Exchanges and the SEBI Circulars; and subject to that specifically permitted under the Engagement Letter and herein should not be used for any other purpose.

The Company has represented to PLCM that based on the exemption from registration under section 3(a)(10) of the United States Securities Act, 1933, the securities to be issued pursuant to the amalgamation of WLPL with HPPL will be exempt from registration under the U.S. Securities Act or under the securities law of any state or other jurisdiction of the United States.

7. **Rationale of the Scheme**

The background and circumstances which justify the said arrangement are, *inter alia*, as follows:

- 7.1 The Applicant Company had acquired the entire paid-up equity share capital of the Transferor Company on 30<sup>th</sup> January, 2015 from its erstwhile promoters / shareholders. With a view to expand the business operations and carry on business activities in the larger interest of Applicant Company, the management was considering acquiring businesses. In this regard, with a view to acquire the business operations of Transferor Company, Applicant Company was required to acquire the entire shareholding of Transferor Company. This was in line with its strategy of capital expansion and inorganic growth. Applicant Company successfully completed the acquisition of 100% shares of Transferor Company, post necessary approvals, as the first step, on 30 January 2015.
- 7.2 The Applicant Company and the Transferor Company are in the business of providing packaging solutions which can be carried out more efficiently under one amalgamated entity.
- 7.3 The Transferor Company is a wholly owned subsidiary of the Applicant Company. A consolidation of the Transferor Company and the Applicant Company by way of amalgamation would therefore lead to a more efficient utilization of capital for enhanced development and growth of the consolidated business in one entity.
- 7.4 The proposed arrangement will result in administrative and operational rationalization, organizational efficiencies, reduction in overheads, administrative and operational costs and other expenses and optimal utilization of various resources. It will prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. Consequently, the Applicant Company will offer a strong financial structure to all creditors including the creditors of the Transferor Company and achieve better cash flows. The synergies created by the arrangement would increase operational efficiency and integrate business functions.
- 7.5 Greater integration and flexibility for Applicant Company and strengthening position in the industry, in terms of the asset base, revenues, product and service range;
- 7.6 The proposed arrangement will eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities. The Scheme envisages transfer of the entire undertaking of the Transferor Company to the Applicant Company and aims at unlocking a better value for the public shareholders of the Applicant Company.

7.7 The Scheme also envisages internal reorganization of capital of the Applicant Company which will enable the Applicant Company to right size its balance sheet.

8. **Salient Features of the Scheme**

The salient features of the Scheme, *inter alia*, are as under:

- (i) Upon coming into effect of the Scheme and with effect from the Appointed Date (as defined in the Scheme), the Transferor Company shall, pursuant to the sanction of the Scheme by the High Court and pursuant to the provisions of Sections 391 to 394 and other applicable provisions of the Companies Act, 1956 be and stand amalgamated with the Applicant Company, by virtue of and in the manner provided in the Scheme.

- 5.4 The Transferee Company and the Transferor Company are in the business of providing packaging solutions which can be carried out more efficiently under one amalgamated entity.
- 5.5 The Transferor Company is a wholly owned subsidiary of the Transferee Company. A consolidation of the Transferor Company and the Transferee Company by way of amalgamation would therefore lead to a more efficient utilization of capital for enhanced development and growth of the consolidated business in one entity.
- 5.6 The proposed arrangement will result in administrative and operational rationalization, organizational efficiencies, reduction in overheads, administrative and operational costs and other expenses and optimal utilization of various resources. It will prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. Consequently, the Transferee Company will offer a strong financial structure to all creditors including the creditors of the Transferor Company and achieve better cash flows. The synergies created by the arrangement would increase operational efficiency and integrate business functions.
- 5.7 Greater integration and flexibility for Transferee Company and strengthening position in the industry, in terms of the asset base, revenues, product and service range;
- 5.8 The proposed arrangement will eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities. The Transferor Company is a wholly owned subsidiary of the Transferee Company and all the shares of the Transferor Company are presently held by the Transferee Company in its own name and six shares, one share each are held by foreign body Corporates, who hold the shares as nominees of the Transferee Company. The Scheme envisages transfer of the entire undertaking of the Transferor Company to the Transferee Company and aims at unlocking a better value for the public shareholders of the Transferee Company. Accordingly, the Scheme is not prejudicial to the interest of the shareholders of the Transferee Company. The Scheme does not affect the rights and interests of the shareholders or the creditors of the Transferee Company. The shareholding and other rights of the members of the Transferee Company will remain unaffected as no new shares are being issued by the Transferee Company to the shareholders of the Transferor Company.

- 5.9 The Scheme also envisages internal reorganization of capital of the Transferee Company wherein *inter alia* the Securities Premium Account would be utilized in terms of clause 18(f) of the Scheme. The Scheme will enable the Transferee Company to right size its balance sheet. The reorganization of capital does not involve diminution of liability in respect of unpaid share capital or payment to any shareholder of any paid-up share capital. The shareholding and other rights of members of the Transferee Company will thus remain unaffected.
- 5.10 The creditors of the Transferor Company will not be affected by the Scheme since the assets of the Transferor and Transferee Companies (taken together) are more than the liabilities of the Transferor and Transferee Companies (taken together). Further even the creditors of the Transferee Company will not be affected by the Scheme since the assets of the Transferor Company are more than the liabilities of the Transferor Company. Further post the arrangement, the assets of the Transferee Company shall be greater than its liabilities.

**PL Capital Markets Pvt. Ltd.**

### Positive Packaging Industries Limited

Positive Packaging Industries Limited, is a company incorporated under the Companies Act, 1956 and having its registered office at 12A-06, 'B' Wing, 13<sup>th</sup> Floor, Parinee Crescenzo, C-38/39, 'G' Block, Bandra Kurla Complex, Bandra (East), Mumbai – 400 051. PPIL is a wholly-owned subsidiary of HPPL. PPIL is engaged in manufacture and sale of flexible packaging material.

### BACKGROUND AND RATIONALE FOR THE SCHEME

The background and circumstances which justify the said arrangement as noted in the Scheme of Arrangement are, *inter alia*, as follows:

- i. HPPL had acquired the entire paid-up equity share capital of PPIL on January 30, 2015 from its erstwhile promoters / shareholders.
- ii. With a view to expand the business operations and carry on business activities in the larger interest of HPPL, the management was considering acquiring businesses. In this regard, with a view to acquire the business operations of PPIL, HPPL was required to acquire the entire shareholding of PPIL. This was in line with its strategy of capital expansion and inorganic growth. HPPL successfully completed the acquisition of 100% shares of PPIL, post necessary approvals, as the first step, on January 30, 2015.
- iii. Even when the acquisition was in progress, it was always envisaged to integrate business of PPIL with HPPL to achieve various benefits including, inter-alia, business synergies, unified platform for growth etc. Accordingly, the integration of business takeover of PPIL with HPPL would help achieve the below objectives
- iv. HPPL and PPIL are in the business of providing packaging solutions which can be carried out more efficiently under one amalgamated entity.
- v. PPIL is a wholly owned subsidiary of HPPL. A consolidation of PPIL and HPPL by way of amalgamation would therefore lead to a more efficient utilization of capital for enhanced development and growth of the consolidated business in one entity.
- vi. The proposed arrangement will result in administrative and operational rationalization, organizational efficiencies, reduction in overheads, administrative and operational costs and other expenses and optimal utilization of various resources. It will prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. Consequently, HPPL will offer a strong financial structure to all creditors including the creditors of PPIL and achieve better cash flows. The synergies created by the arrangement would increase operational efficiency and integrate business functions.
- vii. Greater integration and flexibility for HPPL and strengthening position in the industry, in terms of the asset base, revenues, product and service range;
- viii. The proposed arrangement will eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities. PPIL is a wholly owned subsidiary of HPPL and all the shares of PPIL are presently held by HPPL in its own name and six shares, one share each are held by foreign body Corporates, who hold the shares as nominees of HPPL. The Scheme envisages transfer of the entire undertaking of PPIL to HPPL and aims at unlocking a better value for the public shareholders of HPPL. Accordingly, the Scheme is not prejudicial to the interest of the shareholders of PPIL. The Scheme does not affect the rights and interests of the shareholders or the creditors of HPPL. The shareholding and other

rights of the members of HPPL will remain unaffected as no new shares are being issued by HPPL to the shareholders of PPIL.

- ix. The Scheme also envisages internal reorganization of capital of HPPL wherein *inter alia* the Securities Premium Account would be utilized in terms of clause 18(e) of the Scheme. The Scheme will enable HPPL to right size its balance sheet. The reorganization of capital does not involve diminution of liability in respect of unpaid share capital or payment to any shareholder of any paid-up share capital. The shareholding and other rights of members of HPPL will thus remain unaffected.
- x. The creditors of PPIL will not be affected by the Scheme since the assets of PPIL and HPPL (taken together) are more than the liabilities of PPIL and HPPL (taken together). Further even the creditors of HPPL will not be affected by the Scheme since the assets of PPIL are more than the liabilities of PPIL. Further post the arrangement, the assets of HPPL shall be greater than its liabilities.

#### MAIN TERMS OF THE SCHEME OF ARRANGEMENT

As per the draft Scheme of Arrangement, we understand that :

- (i) Upon coming into effect of this Scheme of Arrangement and with effect from the Appointed Date (defined in the Scheme of Arrangement to mean closing of business hours of January 30, 2015 or such other date(s) as the High Court of Judicature at Bombay or such other competent authority may approve / fix), PPIL shall stand amalgamated with HPPL, as provided in the Scheme of Arrangement, and pursuant to the provisions of Sections 391 to 394 and other applicable provisions of the Act, all the assets, unbilled revenues, debts, outstanding, credits, liabilities, duties and obligations whatsoever concerning PPIL as on the Appointed Date shall, accordingly, stand transferred to and vested in and/or be deemed to be and stand transferred to and vested in HPPL.
- (ii) The transfer and vesting of all the assets of PPIL, as aforesaid, shall be subject to the existing charges, mortgages and encumbrances, if any, over or in respect of any of the assets or any part thereof, provided however that such charges, mortgages and/or encumbrances shall be confined only to the relative assets of PPIL or part thereof on or over which they are subsisting on transfer to and vesting of such assets in HPPL and no such charges, mortgages, and/or encumbrances shall be enlarged or extend over or apply to any other asset(s) of HPPL. Any reference in any security documents or arrangements (to which PPIL is a party) to any assets of PPIL shall be so construed to the end and intent that such security shall not extend, nor be deemed to extend, to any of the other asset(s) of HPPL and HPPL shall not be obliged to create any further or additional security thereof.
- (iii) For the removal of doubt, it is clarified that to the extent that there are inter-company loans, deposits, obligations, balances or other outstanding as between PPIL and HPPL, the obligations in respect thereof shall come to an end and there shall be no liability in that behalf and corresponding effect shall be given in the books of accounts and records of HPPL for the reduction of such assets or liabilities, as the case may be, and there would be no accrual of interest or any other charges in respect of such inter-company loans, deposits or balances, with effect from the Appointed Date.
- (iv) With effect from the Appointed Date, all permits, quotas, rights, entitlements, tenancies and licenses relating to brands, trademarks, patents, copy rights, privileges, powers, facilities of every kind and description of whatsoever nature in relation to PPIL and which are subsisting or having effect immediately before the Appointed Date, shall be and remain in full force and effect in favour of HPPL and may be enforced fully and effectually as if, instead of PPIL, HPPL had been a beneficiary or obligee thereto.
- (v) PPIL is wholly owned by HPPL and therefore there shall be no issue of shares by HPPL in this regard.
- (vi) On the Scheme of Arrangement becoming effective, PPIL shall be dissolved without

being wound up and without any further act by the parties. On and with effect from the Effective Date (defined in the Scheme of Arrangement to mean the date on which the certified copies of the Order(s) of the Court sanctioning the Scheme of Arrangement, are filed with the Registrar of Companies), the name of PPIL shall be struck off from the records of the relevant Registrar of Companies. HPPL shall make necessary filings in this regard.

- (vii) The Scheme of Arrangement also envisages internal reorganization of capital of HPPL wherein *inter alia* the Securities Premium Account (including securities premium of PPIL transferred to HPPL pursuant to the Scheme of Arrangement) would be utilized in terms of clause 18(f) of the Scheme of Arrangement. The Scheme will enable HPPL to right size its balance sheet. The reorganization of capital does not involve diminution of liability in respect of unpaid share capital or payment to any shareholder of any paid-up share capital. The shareholding and other rights of members of HPPL will thus remain unaffected.

We understand that the Board of Directors of HPPL and PPIL are proposing to accord consent to a Scheme of Arrangement between HPPL, PPIL and its respective shareholders involving
