Mr Nirmal Jain, Chairman, IIFL Holdings Ltd., commented on the financial results, “We achieved a healthy 14% y-o-y growth in full year FY16 net profits, with ROE of 18.7% and ROA of 2.4%. Our NBFC and Wealth businesses delivered robust growth, while Capital Market activities declined due to adverse market conditions. In our NBFC, we continue to re-balance our portfolio towards superior asset quality by growing retail mortgages, CV and SME loans. This is expected to enhance our risk adjusted returns over the next one-two years.”

NBFC operations

Q4FY16 PAT was ₹95.0 Cr, up 18% y-o-y, while full year FY16 PAT was ₹338.7 Cr, up 12% y-o-y. NBFC's ROE² for FY16 stood at 16.9% and ROA was 1.8%.

Loan book, predominantly retail, showed a steady increase of 21% y-o-y to ₹17,770 Cr with total Assets under Management (AuM) at ₹19,514 Cr, up 21% y-o-y for the year ended March 31, 2016. This growth was driven by retail mortgage, commercial vehicle (CV) and medical equipment loans. The share of retail mortgages in the overall loan book has been rising steadily. Retail mortgage loans, at ₹7,241 Cr, constitute 41% of the loan book and registered 89% y-o-y growth. Commercial vehicle loans increased 93% y-o-y to ₹1,694 Cr. On the other hand, there was a decline in loan book of large mortgages and gold and capital market related loans grew in single digits. This is part of a conscious strategy to de-risk our loan book and make it more retail focused.

Asset quality: Gross NPAs and Net NPA ratios have fallen to 1.44% and 0.54% respectively as on March 31, 2016 versus 1.56% and 0.61% in the previous quarter. Against gross NPA of ₹255.4 Cr, specific provisions stand at ₹159.1 Cr. Besides this, provision of ₹70.1 Cr has been made for standard assets as per statutory requirements. Total provision coverage (including standard asset provision) stands at 89.7% of Gross NPAs. NIM for the quarter stood at 6.2%.

Capital adequacy: Total CAR of 17.7% including Tier I capital of 11.7%.

² ROE = PAT ÷ Average Net-worth (excluding Preference capital)
