2 The Company has made an early application, since the year 2010-11, of Accounting Standard 30 "Financial Instruments- Recognition and Measurement", issued by the Institute of Chartered Accountants of India, for accounting of forward exchange contracts taken for highly probable/forecast transactions, which are not covered by Accounting Standard-11. An amount of Rs. 5.09 crore has been recognized as income (previous year expense Rs. 4.69 crore) in the financial results for the year ended 31 March 2016 and included in exceptional items as an adjustment on the said application of Accounting Standard 30.

3 Exceptional items :

- a) Inventory losses amounting to Rs. 26.88 crore for the year ended March 31, 2016, which includes loss of Rs. 4.62 crore (previous year Rs. 20.75 crore) on account of write down of closing inventories, calculated on month on month basis, incurred by the Company due to crash in global crude oil prices and consequently impacting raw material prices, i.e., of PTA and MEG. The loss incurred has been primarily due to the timing difference in the prices at which material has been purchased and sold.
 - b) Due to significant volatility in the foreign currency vis-à-vis local currency, the Company has considered the foreign exchange fluctuation as an exceptional item in financial results.
 - c) 'Others' includes differential excise duty (including penalty thereon) amounting to Rs. 4.23 crore paid in compliance with the judgement of the Supreme Court.
4. Tax expense includes minimum alternate tax and deferred tax charge/(credit).

5. a) The Company has internally assessed the operating margins and it's set-off against accumulated Unabsorbed Depreciation as per Income tax laws. In the absence of virtual certainty and as a matter of prudence the Company has charged off MAT Credit entitlement amounting to Rs. 57.30 crore during the year ended 31 March, 2016.

b) Earlier, the Company had not recorded deferred tax assets in relation to unabsorbed depreciation as the same has been subject matter of litigation. Pursuant to the changes made by the Finance Act, 2015 and based on opinion of legal counsel, the Company is reasonably certain that the litigation do not have any significant impact on recoverability of Rs. 158.33 crore of unabsorbed depreciation to the extent of future reversal of deferred tax liabilities.

6. a) Upto 31 March 2015, the Company has carried forward insurance claim recoverable amounting to Rs. 33.53 crore and interest receivable amounting to Rs. 11.69 crore thereon recognised upto July 2012 (date of Arbitral Tribunal order). Currently, the case is pending with Delhi High Court.

b) During the year ended 31 March 2016, the Company has recognised interest of Rs. 10.95 crore on the insurance claim lodged by the Company with its insurance company for the loss of certain assets and loss suffered due to business interruption under loss of profit policy relating to fire incidence at its plant in 2007-08 under 'other operating income'.

As legally advised, the Company is of the view that the amounts recognised are fully recoverable.

7. The Board of Directors' have recommended a dividend of Re. 1 per share of Rs. 10 each aggregating to Rs. 18.27 crore (including dividend distribution tax), subject to the approval of shareholders.
8. The Company's business activity falls within a single primary business segment viz. 'Polyester'.
9. The Audit Committee reviewed the above results. The Board of Directors, at their meeting held on 18 May 2016, have approved the above results.
10. The Statutory Auditors of the Company have audited the financial results for the year ended 31 March 2016, and report has been issued subject to item 6 (b) above. The figures for the quarter ended 31 March 2016, as reported in these financial results, are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the relevant financial year. Also, the figures upto the end of the third quarter were only reviewed and not subjected to audit. The report of the Statutory Auditors is being filed with the BSE Ltd. and National Stock Exchanges. For more details on audited results, visit Investor Relations section of our website at www.indoramaindia.com and Financial Results under Corporates section of www.nseindia.com and www.bseindia.com

Independent Auditors' Report
To the Board of Directors of
Indo Rama Synthetics (India) Limited

1. We have audited the standalone financial results ('financial results') of Indo Rama Synthetics (India) Limited ('the Company') for the year ended 31 March 2016, attached herewith, being submitted by the Company pursuant to requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the quarter ended 31 March 2016 and the corresponding quarter ended in the previous year, as reported in these financial results, are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of third quarter of the relevant financial year. Also the figures upto the end of the third quarter had only been reviewed and not subjected to audit.
2. These financial results have been prepared by the Company on the basis of the standalone financial statements and reviewed quarterly financial results upto the end of the third quarter, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of the standalone financial statements which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.
3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance as to whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by the management. We believe that our audit provides a reasonable basis for our qualified opinion.
4. Attention is drawn to note 6 (b) of the financial results, which enumerates, recognition of interest of Rs. 10.95 crores for the year ended 31 March 2016 on the insurance claim lodged by the Company with its insurance company for the loss of certain assets and loss suffered due to business interruption at its plant in 2007-08. The said recognition of asset, is not in accordance with accounting principle stated in Accounting Standard 29, 'Provisions, Contingent Liabilities and Contingent Assets'. Had such income not been recognised, the net loss before tax for the year would have been higher by Rs. 10.95 crores, the net profit after tax for the year would have been lower by Rs. 7.16 crores and Reserves and Surplus as at 31 March 2016 would have been lower by 7.16 crores.

5. The Group has made an early application, since the year 2010-11, of Accounting Standard 30 "Financial Instruments- Recognition and Measurement", issued by the Institute of Chartered Accountants of India, for accounting of forward exchange contracts taken for highly probable/forecast transactions, which are not covered by Accounting Standard-11. An amount of Rs. 5.09 crore has been recognized as income (previous year expense Rs. 4.69 crore) in the financial results for the year ended 31 March 2016 and included in exceptional items as an adjustment on the said application of Accounting Standard 30.
6. Exceptional items :
 - a) Inventory losses amounting to Rs. 26.88 crore for the year ended March 31, 2016, which includes loss of Rs. 4.62 crore (previous year Rs. 20.75 crore) on account of write down of closing inventories, calculated on month on month basis, incurred by the Company due to crash in global crude oil prices and consequently impacting raw material prices, i.e., of PTA and MEG. The loss incurred has been primarily due to the timing difference in the prices at which material has been purchased and sold.
 - b) Due to significant volatility in the foreign currency vis-à-vis local currency, the Company has considered the foreign exchange fluctuation as an exceptional item in financial results.
 - c) 'Others' includes differential excise duty (including penalty thereon) amounting to Rs. 4.23 crore paid in compliance with the judgement of the Supreme Court.

- b) Earlier, the Company had not recorded deferred tax assets in relation to unabsorbed depreciation as the same has been subject matter of litigation. Pursuant to the changes made by the Finance Act, 2015 and based on opinion of legal counsel, the Company is reasonably certain that the litigation do not have any significant impact on recoverability of Rs. 158.33 crores of unabsorbed depreciation to the extent of future reversal of deferred tax liabilities.

To the Board of Directors of
Indo Rama Synthetics (India) Limited

1. We have audited the consolidated financial results ('financial results') of Indo Rama Synthetics (India) Limited ('the Company') and its subsidiaries (collectivity referred to as 'the Group') for the year ended 31 March 2016, attached herewith, being submitted by the Company pursuant to requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. These financial results have been prepared by the Group on the basis of the consolidated financial statements, which are the responsibility of the Company's management. 3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance as to whether the consolidated financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed in the financial results. An audit also includes assessing the accounting principles used and significant estimates made by the management. We believe that our audit provides a reasonable basis for our qualified opinion.
4. We report that the consolidated financial results have been prepared by the Company's management in accordance with the requirements of Accounting Standard (AS 21), "Consolidated Financial Statement" and on the basis of the separate audited financial statements of the Company and its subsidiaries, included in the consolidated financial results.

The said recognition of asset, is not in accordance with accounting principle stated in Accounting Standard 29, 'Provisions, Contingent Liabilities and Contingent Assets'. Had such income not been recognised, the net loss before tax for the year would have been higher by Rs. 10.95 crores, the net profit after tax for the year would have been lower by Rs. 7.16 crores and Reserves and Surplus as at 31 March 2016 would have been lower by 7.16 crores.
