Religare Securities Limited
Religare Commodities Limited
Religare Comtrade Limited

A formidable **retail broking platform** with extensive **distribution capabilities**

Business Highlights

Total traded volume of **₹12.8 trillion** in FY16
10% of REL's consolidated revenue
(q.e. 31-Mar-2016)

Strategic Priorities

Increase **Distribution Network** productivity
Generate Superior **ROE**

Retail Broking

Market environment remained challenging during the financial year

Religare turnover

Shift towards asset light model enabled by distribution network optimization

Business update

- Challenges from the macro environment, primarily global, caused market-wide turnover to decline during the first nine months of the financial year; but increased in Q4FY16 over previous quarter driven by Options
- Religare's performance has been resilient in the face of a challenging market environment in FY16
- Religare's total traded volume in FY16 was ₹12.8 trillion from approx. 135,000 unique traded clients. Asset-light channels contributed ~73% of total revenue in Q4FY16
- Quality of relationship continues to be the focus in new client acquisition, third party sales and BP acquisition.
- Yield has improved by 15% in equity segment, owing to focus on standardized pricing

This presentation may include forward-looking statements. These forward-looking statements are statements regarding Religare's intentions, estimates, forecasts, projections, beliefs or current expectations concerning, among other things, Religare's results of operations, financial condition, liquidity, prospects, growth, strategies and the industries in which Religare operates. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Religare cautions you that forward-looking statements are not guarantees of future performance and that its actual results of operations, financial condition and liquidity and the development of the industry in which it operates may differ materially from those expressed, implied or suggested by the forward-looking statements contained in this document. In addition, even if Religare's results of operations, financial condition and liquidity and the development of the industry in which it operates are consistent with the forward-looking statements contained in this document, those results or developments may not be indicative of results or developments in future periods. Religare does not undertake to release publicly any revisions to any forward-looking statements to reflect events that occur or circumstances that arise after the date of this presentation.
