**Explanatory Statement under Section 393 of the Companies Act, 1956 and under Section 102 of the Companies Act, 2013**

1. Pursuant to an order dated 18.4.2016, passed by the Hon'ble High Court of Madras, in the Company Application referred above, a meeting of the equity shareholders of Shiva Texyarn Limited, the Applicant Company above named, is being convened for the purpose of considering and, if thought fit, approving, with or without modification, the arrangement proposed under the Scheme of Arrangement (Demerger) between Shiva Texyarn Limited and STYL Textile Ventures Limited and their respective shareholders under Sections 391 to 394 of the Companies Act, 1956 read with Section 100 to 104 of the Companies Act, 1956 and Section 13 of the Companies Act, 2013.
2. In this Statement, Shiva Texyarn Limited hereinafter referred to as "Applicant Company" / "Demerged Company" and STYL Textile Ventures Limited hereinafter referred to as

"Resulting Company". Where the context so requires, the Applicant Company and the Resulting Company are collectively referred to as the "Companies". The said Scheme of Arrangement ( Demerger) is hereinafter referred to as "the Scheme"

3. A copy of the Scheme of Arrangement, setting out the terms and conditions of the Arrangement of the Demerged Company with the Resulting Company, which has been approved by the Board of Directors of Demerged Company and Resulting Company at their respective meetings held on 30.11.2015, is enclosed.
4. The Share Capital of the Applicant Company and Resulting Company are set out in the Share Capital Clause of the Scheme.
5. The objects of the Applicant Company and the Resulting Company are as set out in the Memorandum of Association of the respective Company and extracted in the Scheme.
6. The background to the proposed Scheme is as follows:-
  - 6.1. The Demerged Company operates primarily in two locations with distinct features as setout hereinafter:
    - 6.1.1. In Dindigul District, Tamilnadu wherein it has a standalone spinning unit with capacity of 39,072 spindles together with windmills relating to the said unit with a capacity of 10.65 MW. The unit manufactures mainly cotton hosiery yarn with an average count of 40s. The future business plan envisages addition of finer counts of yarn in woven category to the existing production pattern so that the overall mix comprises hosiery yarn for local market, woven yarn for upcountry markets and small portion for exports.
    - 6.1.2. In Tirupur/Erode District, Tamilnadu wherein it has a Spinning Unit with capacity of 52416 spindles manufacturing average count of 30s, Technical Textiles which is into value added, Coated and Laminated fabrics, Knitting, Garment unit inter-alia manufacturing specialty garments for defence etc., Processing unit, Activated Carbon Unit, Bag Unit and Windmills relating to the said units with a capacity of 18.145 MW. The operations are composite in nature, and significantly the technology employed is high end, and the Plants are equipped to produce contamination free yarn and other special yarn. The target market is niche markets, value added products, exports etc.
    - 6.1.3. The nature of thrust and direction required for the growth of the two distinct operations as segregated above, are very different. The two distinct divisions catering to two entirely different market segments in textiles, require different growth strategies.

- 6.1.4. The image that is required to be projected for the growth of the two distinct operations, and for building the brand is also very different, given that nature of product as also the market that is intended to be tapped are different.
- 6.1.5. In the circumstances, the management of the Companies felt that it would be in the interest of all stakeholders to demerge the two distinct operations to give specific and focused thrust to the respective divisions as also create a distinct brand for the two divisions.
- 6.1.6. It is therefore felt that it would be advantageous to demerge the Dindigul operations together with the related windmills viz., Demerged Undertaking (as defined hereinafter) into a separate entity.
- 6.1.7. STYL Textile Ventures Limited (Resulting Company) has been incorporated as a wholly owned subsidiary of the Demerged Company to facilitate the demerger of the Demerged Undertaking.

7. The benefit that is expected to be achieved through the Scheme is as follows:

- 7.1. As a result of demerger the units/divisions requiring special attention will be separated. The Demerged Company and Resulting Company would focus on their respective businesses to achieve sustained growth.
- 7.2. The nature of risk involved and focus required for the Remaining Undertaking and the Demerged Undertaking is distinct from each other. Consequently, each business or undertaking is capable of addressing independent business opportunities, deploying different business techniques and attracting different set of investors, strategic partners, lenders and other stakeholders.
- 7.3. The demerger would provide scope for independent expansion without committing the organization in entirety.
- 7.4. It is believed that the proposed demerger will create enhanced value for the shareholders and allow a focused strategy in operations which would be in the best interest of all stakeholders.
- 7.5. The Board of Demerged Company considered that it would be advantageous to demerge the Demerged Undertaking, into a separate entity.

8. The Salient features of the Scheme are:-

- 8.1. The Scheme of Arrangement of Demerged Company with Resulting Company will take effect from "Appointed Date" i.e., 1st April, 2015 and the Demerged Undertaking of Demerged Company shall stand transferred to and vested in Resulting Company
- 8.2. The "Effective Date" for the Scheme means the date on which the certified copy of the Orders of High Court of Judicature at Madras sanctioning this Scheme is filed with the Registrar of Companies, Tamilnadu, Coimbatore.

8.3. The term "Demerged Undertaking" means :

**(B) STYL Textile Ventures Limited (STVL) (Resulting Company)**

STVL was incorporated on November 24, 2015 under the provisions of the Companies Act, 2013 with CIN of U17111TZ2015PLC022007 and having its registered Office at 252, Mettupalayam Road, Coimbatore 641043. It is incorporated to facilitate the proposed demerger. It is yet to commence its operations.

**2. Rationale for the Scheme:**

- a. As a result of demerger the units/divisions requiring special attention will be separated. The Demerged Company and Resulting Company would focus on their respective businesses to achieve sustained growth.
- b. The nature of risk involved and focus required for the Remaining Undertaking in the Demerged Company and the Demerged Undertaking in the Resulting Company is distinct from each other. Consequently, each business or undertaking is capable of addressing independent business opportunities, deploying different business techniques and attracting different set of investors, strategic partners, lenders and other stakeholders.
- c. The demerger would provide scope for independent expansion without committing the organization in entirety.
- d. It is believed that the proposed demerger will create enhanced value for the shareholders and allow a focused strategy in operations which would be in the best interest of all stakeholders.
- e. The Board of Demerged Company considered that it would be advantageous to demerge the Demerged Undertaking, into a separate entity.
- f. The shareholders of the Demerged Company will receive the shares of the Resulting Company at an appropriate ratio and the shares of Resulting Company would also be listed in the Stock Exchange.
- g. Upon the scheme becoming effective, all the assets, properties and liabilities of the Demerged Undertaking shall be transferred and/or be deemed to have been transferred to the Resulting Company with effect from the appointed date at the values appearing in the books of the Demerged Company immediately preceding the appointed date.

**3. Scope of Engagement**

This report is intended only for the sole use of STYL and STVL and in connection with the proposed Scheme including for the purpose of obtaining judicial and regulatory approvals for the Scheme.

**4. Sources of Information:**

We have relied on the following information in issuing this fairness opinion for the purpose of the Scheme:

1. Draft Scheme under section 391 to 394 of the Act with regard to the proposed demerger;

2. Copy of Memorandum of Association and Articles of Association of STYL and STVL;
3. Shareholding pattern of STYL as at September 30,2015 and of STVL as at November 24,2015;
4. Audited financial statement of STYL for the years ended March 31, 2015, March 31, 2014 and March 31, 2013.
5. Valuation Report dated November 30, 2015 issued by M/s VKS Aiyer & Co, Chartered Accountants, Coimbatore ; and
6. Such other information, documents, data, reports, discussions and verbal & written explanations from STYL and STVL as well as advisors to STYL/ STVL for the Scheme, public domain websites, as were considered relevant for the purpose of the Fairness Opinion.

5. **Basis for Valuation:**

**Approach:**

The valuer M/s. VKS Aiyer & Co have analysed various methods for valuation of the equity shares of demerged and resulting entities and after careful evaluation have adopted the method of the networth of consolidated undertaking and demerged undertaking as also based on the equity capital to networth ratio of the consolidated undertaking and applying the same to arrive at the equity capital of resulting company. This is observed to be an appropriate method by the auditors as the resulting company is a wholly owned subsidiary of the Demerged Company, the shareholding pattern of the Resulting company should naturally mirror the shareholding pattern of the Demerged Company and should be in *parimateria* thereto. It is also reckoned that the investment made by the Demerged Company in the shares of the Resulting Company and the advances made to the Resulting Company will be cancelled.

Accordingly, the valuer has calculated the networth of the consolidated undertaking to be Rs.150,93,29,175 represented by Equity share capital of 21,60,45,210 (14.31%) and reserves of 129,32,83,965 (85.69%) (Source: Annual report for FY ended March 31, 2015).

Based on the book value of assets and Liabilities of the Business undertaking to be transferred to the resulting company, the networth of the Resulting Company as Rs.58,83,87,854 (as at March 31,2015). Applying the ratio of 14.31% for equity and 85.69% for the reserves, the equity capital of the Resulting Company is Rs.8,42,21,772 and the reserves would be Rs.50,41,66,082.

The shareholders of the Demerged company needs to be allotted shares of the resulting company for an aggregate sum of Rs. 8,42,21,772 through pro rata allotment of equity shares at par value i.e. Rs10/share. The number of shares of Resulting Company to be allotted for the equity shares of 216,04,5,21 shares of the Demerged Company is 84,22,177.

Based on the above premises, the valuer has recommended a Swap ratio, of 2 equity shares of Resulting Company with face value of Rs.10/ share for every 5 equity shares of face value of Rs.10/share held by the shareholders in the Demerged Company as part of the scheme.
