Dear Sirs,

**Sub : Credit Rating for Bank Facility.**

Further to our letter No.GOSL/2016/062 dated 13.05.2016 the Revision of rating of the Company's facilities by Credit Analysis & Research Ltd. has been attributed to the sharp decline in E&P spending worldwide which has affected Shipowners (like the Company) who own and charter support vessels for E&P activity. Additionally, the rating continues to be constrained by highly geared capital structure and cyclical nature of the oil and gas market which in turn affects the Offshore Industry.

The rating agency also goes on to state that the ability of the Company to redeploy its Vessels on long term contracts amidst uncertainty in crude oil prices is the key rating sensitivity.

Thanking you,

Yours faithfully,  
for **GLOBAL OFFSHORE SERVICES LIMITED**
