Sub: Receipt of BPO Contract

Dear Sir,

Excel Realty N Infra Limited (formerly known as Excel Infoways Limited) was incorporated in the year 2003. Being a multi-segment company it currently operates in three segments IT/BPO, Infrastructure and General Trading.

As the infrastructure segment grew at faster rate, the Company in the year 2015 changed its name to Excel Realty N Infra Limited.

Considering the core expertise and experience in IT and IT enabled services, further the IT/ BPO segment of the Company is expected to contribute incrementally to the revenue and profitability. The Company has recently bagged a Contract for IT enabled service form a UK based Customer for 3.06 million dollar for 3 years.

Management expects that this Contract will have positive impact on the Top line and Bottom line of the Company and will also result into increased revenue contribution from this segment.

Kindly take the same on your records.

Thanking You,

Yours faithfully,

For Excel Realty N Infra Limited

Lakhmendra Khurana
Managing Director
