Sub: Existing web site www.alpalabs.com being hacked and compromised.

Sir/Madam,

It has come to our notice today morning that our official website WWW.ALPALABS.COM has been compromised and hacked and some data on the web site was changed by someone.

We have now observed some suspicious activities on the aforesaid website which is without our knowledge and authority .For Instance the following **unauthorised addition in our Vigil Mechanism/ whistle blower policy** under the last para of the PREFACE:

“For Clarification, the policy covered all past and present employees of the company and provides equal access to past employees for matters that took place during their tenure with the company and hence any reference to employees in the policy includes past employees”.

Since we do not have control on our previous website – www.alpalabs.com, hence any information or material available on that web site should not be related and assumed to be that of our company. We completely disown any information hosted and available on WWW.ALPALABS.COM.

Be noted that our duly authorised and official website henceforth would be WWW.ALPALABS.IN

We request you to kindly publish this information on the Public domain immediately and register www.alpalabs.in as our official web site.
