III. Other information:**1) Reasons of loss or inadequate profits:**

The overall market scenario in the Aluminum Industry has not been favorable during the financial year 2015-16. The parity between movement in prices of Raw Material and Finished Products has been adverse during the period. Continuous fall in aluminum prices on LME coupled with adverse currency fluctuation and overall decline in demand in the economy, have contributed to the negative bottom line. Voluminous imports of aluminum from China at cheap prices have negatively impacted the Company to large extent.

The Company is exposed to a number of market risks arising from its normal business activities. These risks include changes in raw material prices, foreign currency exchange rates and interest rates.

2) Steps taken or proposed to be taken for improvement:

The Company is focused on enhancing value added products. The company continues to follow the various steps initiated in the previous financial year, for improving the profitability in the future years. These steps include:

- Increasing its marketing base and exposure to markets in various countries like USA, UAE and Saudi Arabia. Appointing marketing agents in Ethiopia, USA, Peru, UAE and in the domestic market. This is helping in increasing off take and yield better margins.
- Undertaking major overhauling and revamping of Plant & Machineries to reduce cost of conversion.
- Initiating steps for cost reduction by curtailing certain costs like power & fuel, manpower, administration and scheduled repair & maintenance
- Initiating steps for improving quality of Finished Products, to help in increasing the top line and customer satisfaction, leading to improved margins.
- Focusing on value added products by marketing color coated Aluminium Sheets /Coils.
- Trying to develop new suppliers in USA, Australia, UK, Spain and other European countries for taking advantage of competitive rates and improved raw material quality.

3) Expected increase in productivity and profits in measurable terms:

The steps taken/proposed to be taken for improvement are expected to make a positive impact on growing revenue and containing costs. This is expected to improve the performance and the profitability of the Company in coming years.
