J. Kumar Infraprojects inks contract with MMRC for Rs 5012 cr Metro 3 project

Work to begin by October 2016

Mumbai, August 25, 2016: Mumbai-based leading infrastructure company J. Kumar Infraprojects Ltd on behalf of the "J. Kumar - CRTG JV signed an agreement with the Mumbai Metro Rail Corporation Ltd (MMRC) on Wednesday, August 24, 2016 for Phase-3 of the city metro.

MMRC had issued the LOA to "J. Kumar - CRTG JV for the 3rd phase of the Metro project and the project was assigned to "J. Kumar - CRTG JV last month, on the 5th of July, 2016.

Details of the LOA encompass:

- a) MM3-CBS-UGC 05: Design and Construction of Underground sections including four underground stations at Dharavi, BKC, Vidhyanagari and Santacruz and associated tunnels worth of Rs 2858 Crore (Approx).
- b) MM3-CBS-UGC 06: Design and construction of underground sections including CSIA domestic airport, Sahar Road and CSIA International airport and associated bored tunnels worth of Rs 2153 Crore (Approx).

Civil contractors for this project were selected in accordance with the JICA procurement guidelines through an international competitive bidding.

The 33.5 km long, Metro -3 corridor will stretch across 27 stations and will be built underground. The requisite preparatory work e.g. conducting surveys and related investigations are in progress and the project work is likely to commence in the month of October 2016.

Mr. Jagdishkumar M Gupta, Executive Chairman, J. Kumar Infraprojects Ltd said " *We are delighted to have bagged the contract for the Metro 3 project for Mumbai city. Over the years, JKIL has endeavored to build quality projects to serve the citizens of India. The Metro 3 project is another great opportunity to ease the congestion Mumbaikars currently face and we will commence operations by October 2016. We consider the Metro 3 project another interesting challenge and we are confident that it will add to the pride of Mumbai city.*"

About

J. Kumar Infraprojects Ltd is renowned for undertaking design and construction projects on a turnkey basis. Primarily focused on asset light EPC projects, it has a strong foothold in various sectors like Transportation Engineering, Irrigation, Piling and Civil Construction. JKIL, as they are popularly known now, have earned the reputation of being the ultimate panacea to India's humongous urban transport dilemma. With many a milestone to their credit like the Delhi Metro, some of their other esteemed projects include the Municipal Corporation of Navi Mumbai, Airport Authority, National Highway Authority, Pune Municipal Corporation (PMC).
