Wealth Creator Series

Oricon Enterprises Limited a company promoted by Parijat Group and engaged in the manufacturing of Pentanes, liquid colorants for plastics, PET bottles and has subsidiaries across sectors like packaging, real estate, logistics and automobiles. Oricon Enterprises Limited is listed in the National Stock Exchange and Bombay Stock Exchange, having a consistent record of growth and performance. The group believes in innovation through latest technology and processes. With the reforms currently being taken by the government, especially the introduction of GST, we believe that the GDP of the country will spurt resulting in allround growth.

Oriental Containers Limited is a wholly owned subsidiary of Oricon Enterprises Ltd. The company has reached great heights from humble beginnings to become the industry leader today.

Oriental Containers are leaders in packaging technology in India. The company is known for its pioneering efforts in the field of packaging. Innovation has been the hallmark at Oriental and there are many 1st to its credit.

A latest being TEXEAL, a new generation ROPP closures which projects the users brand image apart from anti counterfeiting. Other innovations being GLOSEAL and NEEONSEAL, which are continuous innovations in anti counterfeiting and pilfer proof features as against the normal aluminium ROPP cap which it replaces.

First to produce plastic closures in India for the beverage and water bottling industry by compression molding technology. The brand BEVSEAL is today synonymous with plastic closures, both in India and in the International market.

Oriental also manufactures crowns, used on beer and soft drink bottles. Oriental have upgraded the technology in crown manufacture and thereby increasing productivity and quality to consumers benefit. Today, Oriental Containers Limited are the largest manufacturers in India across all product categories it manufactures, namely ROPP caps, plastic closures and crowns.

Oriental Containers Limited are major exporter of all the products to over 40 countries. Customers include industry majors like Coca-Cola, Pepsi, Diageo, Heineken, United Spirits, leading pharma groups and others. The company follows Global Food Safety Initiative Programme (GFSI) and is a manufacturer having ISO 22000 and PAS 223 certification. In recognition of the contribution to the packaging industry the company has won accolades from institutions like World Packaging Congress, Indian Institute of Packaging and leading industry players.

Oricon Properties Pvt. Ltd.: Is a wholly owned subsidiary engaged in real estate development. The company owns 2 acres of real estate at Worli. It has currently entered into a large property development deal. This is a luxury residential project overlooking Mahalaxmi race course and the Arabian Sea. This project is expected to be completed in next 4 years leading to substantial returns to the company.

United Shippers Limited is another subsidiary of Oricon Enterprises Limited based in India and having operations in India and Middle East. It is engaged primarily in logistics for water transport through barges, stevedoring, vessel chartering, coastal movements, port development and transport and operation of floating cranes for bulk commodities. United Shippers are the largest owner of barges in India and are also the biggest floating crane operator.
