Review report

To the Board of Directors of Tribhovandas Bhimji Zaveri Limited

We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Tribhovandas Bhimji Zaveri Limited ('the Company') for the quarter ended 30 June 2016 attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 3 August 2016. Our responsibility is to issue a report on the Statement based on our review. Attention is drawn to the fact that the figures for the quarter ended 31 March 2016 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures upto the end of the third quarter of the previous financial year. The figures upto the end of the third quarter of the previous financial year had only been reviewed and not subjected to audit.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

The business operations took some time to stabilize in view of the discussions between the Trade and the Government representatives, which culminated on 26 July 2016, by way of the issuance of a Government Notification to that effect. This impacted revenues and profits for the Company. Accordingly, the financial results of the current quarter are not strictly comparable with the financial results for the same period in the previous year i.e. the quarter ended 30 June 2015.

However, we delivered resilient performance during the quarter despite the challenging business environment. Gross margin improvement of 235 bps YoY to 17.83% and strict operating cost control helped us to increase EBITDA margins. With better inventory management, interest costs continued to be on a declining trend, lower by 4.22% YoY to Rs 14.13 crores.

Going forward, we expect to witness gradual improvement in discretionary demand on the back of tailwinds in the form of a good monsoon season, implementation of the 7th Pay commission and OROP, upcoming festival season and an extended wedding season. The Company's new Kalpavruksha Scheme is gaining good traction and the benefits of the same shall accrue over the forthcoming quarters. We have recently signed our fourth Franchise Agreement for our upcoming store in Patna, Bihar. We shall continue with our efforts to expand our presence across India through a mix of own and franchise stores over the coming years."
