Journey So Far

Coal Tar Pitch

Complex speciality chemical with 22 chemical and physical properties obtained through coal tar distillation

Carbon Black

One of most important industrial chemicals in world with applications in rubber, plastics, coating, inks and batteries

Key Strengths

Compelling Competitive Position

- Engaged in producing a wide range of carbon products - Coal Tar Pitch, Chemical oils, Carbon Black, Naphthalene, Corrosion protection, Sulfonated Naphthalene Formaldehyde (SNF) and clean green Power
- One of few global manufacturers to produce Zero Quinolene Insoluble (QI) impregnating Coal Tar Pitch

Storage & Distribution

- Plants well-connected through various transportation modes (like railways and roads)
- Raw material storage capacity of around 1,00,000 MT
- Liquid Pitch Capability
- Largest dedicated fleet of specially-designed 125 tankers in India
- Only company in India having Liquid Pitch terminal for exports

Strategic Sourcing Advantages

- Long-term relationships with all major Indian raw material suppliers
- Strategically imports raw materials based on prevalent global, economical and demand-supply dynamics, thereby optimizing costs
- Largest purchaser of Coal Tar in India
- Highest share of Coal Tar from nearly all domestic steel plants
- Capability to source Coal Tar globally to take advantage of global price movement

Fungible & Strategically-located 'Zero discharge' Facilities

- Seven manufacturing facilities spread across India in West Bengal, Gujarat, Andhra Pradesh & Chhattisgarh
- Coal Tar Distillation, Carbon Black and SNF capacities of 400,000, 120,000 and 68,000 TPA, respectively
- Plants certified with ISO 9001:2008 and ISO 14001:2004
- Flexible manufacturing plants capable of switching between any type and quality of raw material

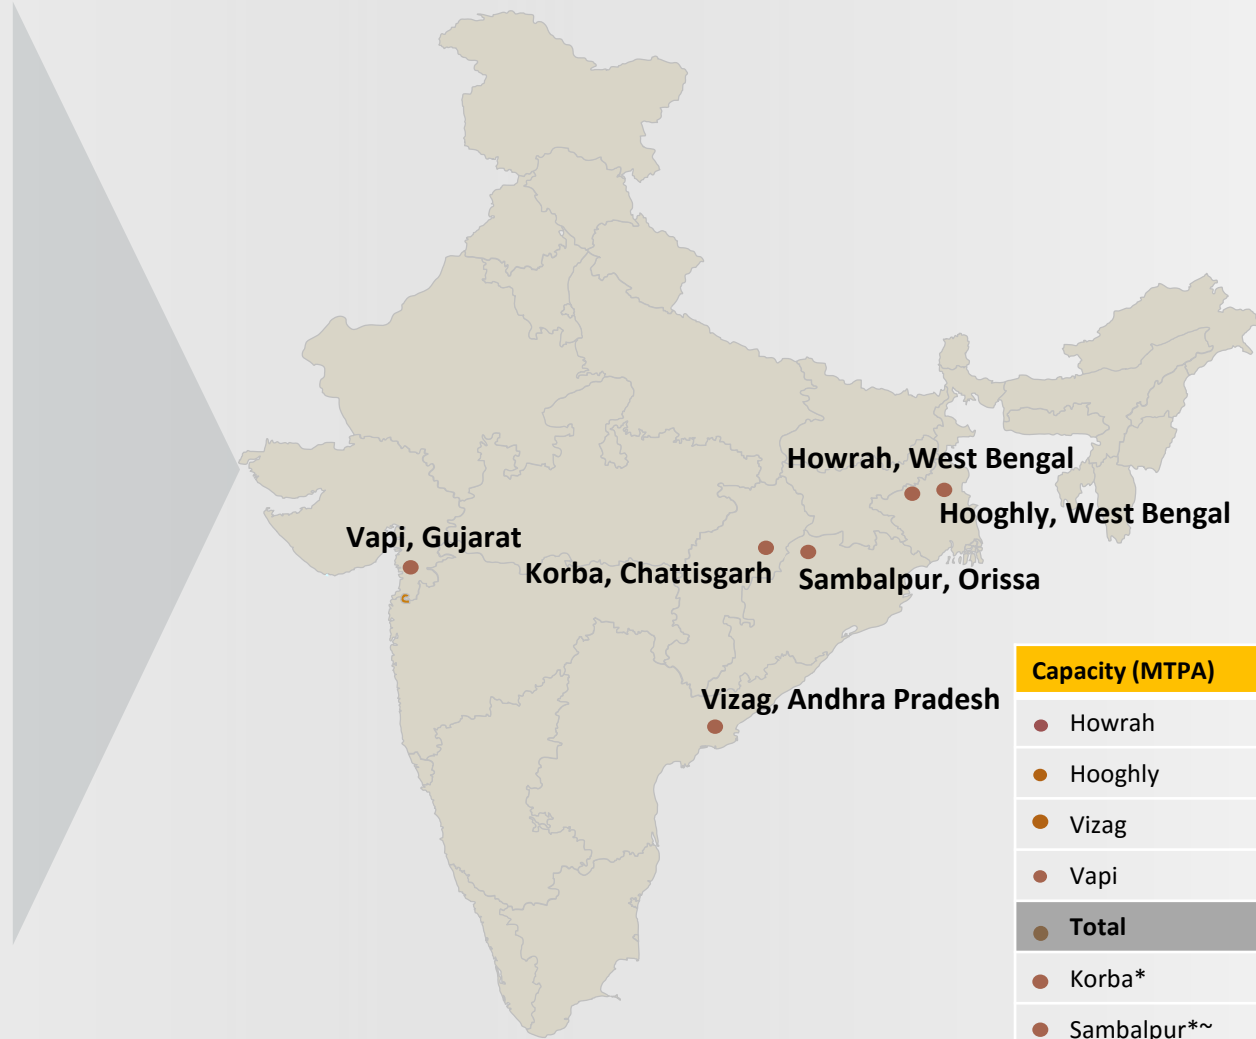

Research and Development

- R&D Centre at Mahistikry unit - recognized by the Government of India
- Experienced R&D team with international experts
- Introduction of new value added speciality chemicals, specialized testing of coal tar pitch and carbon black to maintain best in-class quality

Premier Global Customer Base

- Serves aluminium and graphite, lithium-ion battery, tyre and rubber and infrastructure industries

Management Comments:

Commenting on the results, Mr. Anurag Choudhary, CEO, Himadri Speciality Chemical Ltd, said:

“I am happy to share that this quarter as well, we have delivered a good performance in terms of volumes and profitability. Our exports as compared to last year increased, demonstrating a good demand as well. Our capacity utilization also continued to increased month over month.

Going forward, with the increasing industry demand for our products, we expect this growth momentum to continue.

I also want to share that recently we changed our corporate identity. We changed the name of the Company to “Himadri Speciality Chemical Ltd”, which is in line with our business operations and products that are primarily speciality chemicals. We also changed our logo to the shape of a butterfly, an aesthetically design illustrating the wings of growth. It symbolizes the care and compassion which truly reflect the Group's emphasis on sustainability of eco-system and its approach towards employees and stakeholders.”
