Dear Sir,

**Sub: Clarification with regard to investor's queries.**

This clarification is in response to the calls & emails received from investors enquiring about a recent news article. The company said "We are in talks with some investors to facilitate exit to the existing investors". This was in context of attracting institutional investors from the market and not raising capital into the Company.

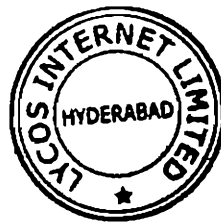

It is as much our mandate to articulate the value of the company as effectively running the business.

Please take the above said information on your records.

Thanking you,

Yours truly,  
for LYCOS INTERNET LIMITED
