**About J. Kumar Infra Projects Limited** (http://www.jkumar.com; BSE: 532940; NSE: JKIL)

J. Kumar Infraprojects Ltd. (JKIL), is one of the India's largest pure play civil construction & engineering contractors with large presence in transportation segment. While JKIL has presence across multiple sectors such as civil construction, irrigation and piling; it has primarily maintained its focus on the transportation space and has built strong expertise in building variety of structures. The Company designs and constructs metros (including underground and elevated) , roads, bridges, flyovers, subways, over bridges, skywalks and railway terminus/stations, as per client's specifications on turnkey basis. JKIL has maintained focus and managed to create a strong foothold in the EPC space. JKIL is significantly backward integrated with owned machineries such as tunnel boring machines, excavator, hydraulic piling rigs, Paver Machine , automatic concrete batching plants, ready-mix concrete plants, transit mixers, auto launching tower cranes etc. - thus enabling the Company to take up infrastructure projects of different specifications.
