News Release: For immediate publication

Chennai, 12th October, 2017

Shriram EPC bags multiple orders worth Rs. 349 crore

- Rs.311 crore order from Bihar Urban Infrastructure Development Corporation Ltd
- Rs. 38 crore order from Karnataka Urban Infrastructure Development & Finance Corporation Ltd

Shriram EPC Limited (SEPC), one of the leading service providers of integrated design, engineering, procurement, construction and project management services for infrastructure projects in Roads & Highways, Water & Sewer, Renewable energy, Process and Metallurgical plants and Municipal service sector projects throughout India, today announced that it has won multiple orders aggregating to Rs. 349 crore.

The first order amounting to Rs. 311 crore from Bihar Urban Infrastructure Development Corporation Ltd. involves improvement of water supply system in Gaya Municipal Corporation. This order envisages renovation of existing infrastructure such as tube wells, overhead tanks and ground level reservoirs as well as construction of new overhead tanks and reservoirs. The scope also includes setting up of distribution network through piping as well as instrumentation and other electrical works including software installation. The Asian development Bank funded project is to be executed over a period of 42 months, with operations and maintenance period of 3 years.

The second order amounting to Rs. 38 crore is from the Karnataka Urban Infrastructure Development & Finance Corporation Ltd and entails construction of pipeline, Overhead tank and distribution network of 24*7 Water Supply System at Byadgi along with operations and maintenance. The Asian Development Bank funded project is to be executed over a period of 24 months while the O&M component extends up to 8 years post completion.

The O&M component includes management of the entire water supply system from source to ensure adequate water pressure, quality and quantity of water supplied, processes for meter readings and billing, setting up collections as well as customer relationship management, Updation of customer database and monitoring non-collections.

Commenting on the order, Mr. T. Shivaraman, Managing Director & CEO of Shriram EPC Limited, said:

"We have witnessed a steady flow of order wins across our business verticals in recent times on the back of concerted efforts towards reviving our core EPC business. These orders will further help us maintain the business momentum and aid us further in accelerating the revival process. We have been undertaking requisite measures towards improving our efficiencies and improving our executional capabilities. We are confident that the quality of offerings and track record in implementation will enable us to scale this high potential vertical and augment our performance in coming years."

About Shriram EPC

Shriram EPC (NSE: SHRIRAMEPC, BSE: 532945) is one of the leading service providers of integrated design, engineering, procurement, construction and project management services for infrastructure projects in Roads & Highways, Renewable energy, Process and Metallurgical plants and Municipal service sector throughout India.

The EPC business is focused on providing integrated turnkey solutions for biomass-based power plants, bio-ethanol production plants, process and metallurgy plants (including thermal power plants), water and wastewater treatment plants, water and sewer infrastructure and pipe rehabilitation.

Shriram EPC is headquartered in Chennai). Their EPC project experience and footprint reaches across India and internationally.
