 - a Shareholder who held 100 Shares on July 9, 2014, and subsequently bought 25 Shares and then sold 25 Shares, will be considered to be an Original Shareholder in respect of 100 Shares, and if such Shareholder has subsequently purchased and sold 50 more Shares, he will be considered to be an Original Shareholder in respect of 100 Shares as he holds at least 100 Shares all the time from July 9, 2014 till the date of tendering in the Offer, provided that in each such case, the relevant Shares are tendered and accepted under the Offer and the principle of Last In First Out (LIFO) would apply i.e. the Shares which were acquired last would be deemed to have been sold first.

This will be subject to availability of beneficiary positions for the earlier periods. The above examples illustrate the identification of the Original Shareholders.
 - As described above, only Original Shareholders whose Shares (which are determined as forming part of their holdings as on July 9, 2014) are tendered and accepted in the Offer will be eligible for receiving Interest Payable under the Offer.  - Beneficiary position data as downloaded by the Registrar & Share Transfer Agent from time to time since July 9, 2014 till the Offer Closing Date, excluding for the period for which such data is not available with the said Registrar.
 - Details of changes, if any, of name of the Original Shareholder, in the case of Shares held in physical form, the endorsement(s) on the face or back of the relevant Share certificate(s).
 - Register of Members and Register of Beneficiary Owners as on the Offer Closing Date.

 - Details of the changes, if any, on account of consolidation of holdings in one or more folios and split of holdings in case of Shares held in physical form.
 - Furthermore those Shareholders who claim to be eligible for Applicable Interest should also submit the following documents to enable the Registrar to the Offer to determine their eligibility for Applicable Interest under the Offer, along with and within the same term of, other documents mentioned in the Letter of Offer including the Form of Acceptance cum Acknowledgement before the Offer Closing Date:
 - Original Shareholders holding Shares in physical form will be eligible for interest if no transfers have been registered in "Memorandum of transfers" in the Share certificate submitted in original after July 9, 2014.
 - Original Shareholders holding Shares in demat form must submit:
 - Details of folio(s) in which Shares were held in physical form on the Trigger Date but which has been dematerialized subsequently OR a photocopy of share certificate, if available
 - Transaction/ holding statement obtained from depository participant ('DP') since the date of dematerialization /purchase till the date of submission of the Form of Acceptance cum Acknowledgement along with the delivery instruction for transferring Shares to the Special Depository Escrow Account opened for this Offer.
 - Change of Name: Those Original Shareholders who have changed their names at any time between July 9, 2014 till date of tendering their Share in this Offer, are advised to submit the evidence of change of name, to enable the Registrar to the Offer to determine the eligibility of such Shareholders to receive the Applicable Interest.
 - Transmission: Those Original Shareholders who have acquired title to the Shares either by transmission, due to death of the

sole / any of the joint holders, or through operation of law are advised to submit documentary evidence in support of such transmission including the details of the original holder's name, number of Shares held at the time of transmission, the date of application for transmission, and in case Shares held in physical form, the folio number and in case of beneficial owners, the DP name, DP ID, beneficiary account number, to enable the Registrar to the Offer to determine the eligibility of such Shareholders to receive the Applicable Interest.

 - In such a case, if a Shareholder holding 250 Shares and eligible to participate in the Offer as an Original Shareholder for 100 Shares (as explained in above point nos. (3.2.1 to 3.2.4)) and as Shareholder for 150 Shares tenders all his 250 Shares in the Offer, then his acceptance would be as under:
 - since the valid responses to the Offer are twice the Offer size, 125 Shares out of 250 Shares tendered by such Shareholder will be accepted from such Shareholder;
 - payment will be made to such Shareholder assuming 100 Shares are accepted as an Original Shareholder and 25 Shares are accepted as a Shareholder. Similarly, if a Shareholder holding 400 Shares and eligible to participate in the Offer as an Original Shareholder for 250 Shares (as explained in above point nos. (3.2.1 to 3.2.4)) and as Shareholder for 150 Shares tenders all his 400 Shares in the Offer, then his acceptance would be as follows: since the valid responses to the Offer are twice the Offer size, 200 Shares out of 400 Shares tendered by such Shareholder will be accepted from such Shareholder; b. payment will be made to such Shareholder assuming 200 Shares are accepted from such Shareholder as Original Shareholder.

 - The following examples illustrate the identification of the PA Shareholders:

 - a Shareholder who held 100 Shares on October 28, 2015, and subsequently bought 25 Shares and then sold 25 Shares, will be considered to be an PA Shareholder in respect of 100 Shares, and if such Shareholder has subsequently purchased and sold 50 more Shares, he will be considered to be a PA Shareholder in respect of 100 Shares as he holds at least 100 Shares all the time from October 28, 2015 till the date of tendering in the Offer, provided that in each such case, the relevant Shares are tendered and accepted under the Offer and the principle of Last In First Out (LIFO) would apply i.e. the Shares which were acquired last would be deemed to have been sold first.
 - In case of Shares held in demat form, buy/sell of Shares will be determined based on weekend positions as provided by the depositories. This will be subject to availability of beneficiary positions for the earlier periods. The above examples illustrate the identification of the PA Shareholders.
 - As described above, only PA Shareholders whose Shares (which are determined as forming part of their holdings as on October 28, 2015) are tendered and accepted in the Offer will be eligible for receiving Interest Payable under the Offer. Such eligibility for interest will be determined on the basis of the Register of Members/ Register of Beneficial Owners as maintained by the Registrars and Share Transfer Agents of RattanIndia Infrastructure Limited, Karvy Computershare Pvt.
