Solix Announces Strategic Partnership with The AIR Summit

Leading big data application provider to present keynotes on artificial intelligence and big data for data-driven organizations

October 10, 2017 — Santa Clara, Calif. and Hyderabad, India – Solix Technologies, Inc. (www.solix.com), a leading big data application provider, today announced its participation at The AIR Summit, India's largest AI, IoT, and robotics event series, to present on artificial intelligence and big data from October 10-12, 2017 at HICC Novotel in Hyderabad, India.

Solix keynote presentations will include:

- Reimagining the Enterprise with AI — VeenaGundavelli, Founder & CEO, Emagia Corporation / Co-Founder, Solix Technologies, Inc.

- Emergence of IoT — PS Somayajulu, Vice President, Solix Technologies, Inc.

As a strategic partner to The AIR Summit, Solix will also be showcasing its latest solutions for Data-driven Banking and Data-driven Finance at booth #14.

The AIR Summit is India's largest AI, IoT, and robotics event series, bringing together over 2,000 senior level attendees from across India and Asia, for three days of keynote speeches, panel discussions, workshops, and fireside chats from over 60 leading speakers across many industries. Key guests will include Ravi Shankar Prasad, Minister for Law & Justice & IT at Government of India, and KT Rama Rao, the Minister of IT at Government of Telangana, with participation from key decision makers at Cisco, Intel, Qualcomm, Google, Facebook, Samsung, and much more.

"Artificial Intelligence is revolutionizing every industry," said VeenaGundavelli, Founder & CEO, Emagia Corporation / Co-Founder, Solix Technologies, Inc. *"I look forward to highlighting the ten hottest emerging technology trends in AI and Big Data Analytics that can help business leaders understand how to leverage them to empower their business."*

"There will be approximately 30 billion connected devices by 2020. While IoT may sound simple, it's a concept of connecting devices, gathering data and much beyond that," said PS Somayajulu, VP, Solix Technologies, Inc. *"I look forward to presenting on IoT emergence, and engaging with folks who are enablers of this technology at The AIR Summit — to help them better understand how to improve their IoT data with solutions like Solix."*
