## **Limited Review Report**

To The Board of Directors TAYO Rolls Limited

We have reviewed the accompanying statement of unaudited financial results of TAYO Rolls Limited ("the Company") for the Quarter and Six Months Ended 30 September, 2017 ("the statement") being submitted by the Company pursuant to requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors on 6<sup>th</sup> October, 2017. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to Review of Interim Financial Information Performed by issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to Note 'a' of the statement wherein it is indicated that the Company has accumulated losses and its net worth has been fully eroded. The Company has incurred a net loss during the current quarter and six months ended on 30<sup>th</sup> September, 2017 and the previous year ended 31<sup>st</sup>March, 2017. The Company's current liabilities exceeded its current assets as on 30<sup>th</sup> September, 2017. These conditions along with other matters set forth in Note 'a', indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Accordingly, the financial results of the Company have not been prepared on a going concern basis for the reasons stated in the said note.

Our report is not qualified in respect of this matter.
