TAKE Solutions receives Golden Peacock Award for Excellence in Corporate Governance

Chennai, October 04 - TAKE Solutions, a globally recognized domain intensive services provider across Life Sciences and Supply Chain management, announced that it has been bestowed with the **Golden Peacock Awards for Excellence in Corporate Governance**. The award, established by the Institute of Directors, London, evaluates and recognizes exemplary organizational performances through a 3-Tier process. The awards jury under the Chairmanship of Justice (Dr.) Arijit Pasayat, former Judge, Supreme Court of India, recognized TAKE from among over 200 entries received from across various industries.

The award will be presented at IoD's international convention of global leaders on October 25, 2017 at London. Ms. Subhasri Sriram, Chief Financial Officer, TAKE Solutions will receive the award on behalf of the organization.

Ms. Sriram said, "We are proud that our efforts towards building and sustaining a culture of excellence across all our functions and practices have been recognized by this prestigious forum." **She further added**, "Our organization is at a vital and transformative juncture, with a vision to be a significantly larger enterprise by the year 2021. This award reinforces that our internal processes and structures are well aligned to achieve this goal."

About TAKE

TAKE Solutions delivers domain-intensive services in Life Sciences and Supply Chain Management.

In the fast-growing Life Sciences space, TAKE offers clients a unique combination of a full-service CRO backed by industry insights and technology expertise. Our range of services span from clinical trials to regulatory submissions to post-marketing safety, all backed by insights derived through our proprietary industry networks. With a team of leading Life Sciences experts, best-in-class systems and processes, and bespoke, industry-specific technology and analytics, TAKE delivers outcomes for clients, including 9 of the top 10 global pharmaceutical companies.

In Supply Chain Management, TAKE focuses on high-margin niches in engineering, mobility and collaboration. Our IP-led approach enables our clients to automate supply chain processes, track, trace & control at item level, extend mobility, mandate supplier compliance, and streamline material & shipment movement, and thus optimize their processes.

With operations spread across North America, Europe, Asia, and South America, TAKE is a Public Company, listed in India on the Bombay Stock Exchange and the National Stock Exchange. Led by a team of industry stalwarts and domain experts, TAKE has been growing steadily with FY17 revenues touching INR 13,520 Mn, a 29% increase year-on-year.
