Dear Sir / Madam,

This has reference to your email on the captioned subject.

As informed earlier vide our letter dated 14-02-2017, Mumbai International Airport Private Limited (MIAL), a subsidiary of our Company, had participated in the bidding process conducted by City and Industrial Development Corporation (CIDCO), Mumbai for developing the Navi Mumbai International Airport, Mumbai and after due completion of the bidding process, the CIDCO had declared that the MIAL has emerged as the successful bidder for building, developing and operating the Greenfield Navi Mumbai International Airport Project, Mumbai.

We also learnt through print & electronic media that the Government of Maharashtra had given their Cabinet clearance for awarding this project to MIAL. However, it may please be noted that MIAL is yet to receive an official communication from CIDCO on this.

Upon receipt of any such communication, the same would be first be informed to the stock exchanges, as in the past, before it is made available to public.

This is for your information.

Thanks & regards,  
For GVK Power & Infrastructure Ltd.
