shares worth ₹1,000 crore

PRESS TRUST OF INDIA
New Delhi, 25 October

The government's stake sale in NLC India on Wednesday got to a flying start with institutional investors putting in bids worth over ₹1,000 crore.

Through the two-day offer for sale (OFS), the government

is selling a 3 per cent stake in NLC (formerly Neyveli Lignite Corp) with a green-shoe option to retain additional 2 per cent over subscription.

At a floor price of ₹94 apiece, the sale of a 5 per cent stake would fetch about ₹800 crore to the exchequer.

The OFS on Wednesday

opened for subscription by institutional investors and bids for over 116.3 million shares came in, as against 36.6 million shares reserved for them.

At the floor price of ₹94 per share, the bids for over 116.3 million shares are worth ₹1,093 crore.

GIC Re ends 1.5%

PAVAN BURUGULA & SAMIE MODI
Mumbai, 25 October

General Insurance Corporation (GIC) made a lacklustre market debut on Wednesday as its shares declined as much as 14.5 per cent. The country's biggest reinsurer managed to recoup most of the losses as the stock still ended the day up 1.5 per cent lower at ₹898, over its issue price of ₹912.

The tepid debut is not a surprise. The state-owned company's ₹1,300-crore initial public offering (IPO) had seen 1.37 times subscription and more than half had come from Life Insurance Corporation.

GIC Re joins a list of insurers that disappointed their post-listing performance. ICICI Prudential Life, first in an IPO in the domestic market, had seen its shares slip 10 per cent on debut last year. ICICI Lombard and SBI Life's initial offers this year did manage slight listing day gains, but their shares later slipped below the issue price.
